Illustrated is the rakish Buick CENTURY Riviera "hardtop" model.

Come drive the CENTURY biggest horsepower bargain of 1954!

THE invitation you see headlined There calls for action—and comparison.
For you have to see and drive the 200-horsepower CENTURY—and check its local delivered price—to know how it puts other automobiles in this Buick's dollar class on the spot.
Look for yourself—and you'll see what we mean.
Look at styling, new-day features,

visibility, interior modernity, ride comfort, handling ease—we believe you will find nothing on the automotive horizon to equal the CENTURY on all counts.
But what will prove to be the most eye-opening news of all is the power buy you make in this spectacular Buick.
When you compare—when you check the facts—you find that you are buying more horsepower per

dollar in a CENTURY than you get in any other standard-production American automobile, bar none.
And it is horsepower that gives you brilliant performance, greater economy, new safety—for here you get the highest power-to-weight ratio in all Buick history.
Why not come in and see the whole story come alive when you take the wheel of a Buick CENTURY?
We know of no better way to prove to you that this gorgeous, glamorous sweep of automobile is the power buy of the year—by far.
