**Carson Sets Meet Saturday To Talk About Building**

By J. FRED BRYSON  
 (Community Reporter)

The Carson Rural Community Development Organization met Monday night, March 8, at the Carson Chapel Methodist Church. A movie, "The Southern Highlanders", was shown. N. A. Waldrop reported that 500 white pine seedlings were set out last Saturday by the Boy Scouts on the picnic area. This project was supervised by the beautification committee.

Saturday morning, March 13, has been designated as "clean-up day" for the picnic area and also for making preparations for starting construction of the community building. A large crowd with shovels and axes is expected to be there by 8:30 a. m.

Mrs. Jim Cunningham was in charge of the birthday social hour. Ten persons whose birthday has been since January 1 were lined up around a three-tiered cake decorated with candles and "Happy Birthday" was sung. A total of \$6.92 was put in the birthday box.

**Services Held March 2 Here For Chas. Dryman**

Charles Virgil Dryman, 76, a native of this county, died February 28 at the home of his daughter, Mrs. Noah Henry, in Pickens, S. C., following an illness of about a week.

Funeral services for Mr. Dryman, who had been living in Pickens for the last three years, were conducted March 2 at the Asbury Methodist Church at Otto. The Rev. R. L. Poindexter, pastor, officiated and burial was in the Dryman's Chapel cemetery.

Mr. Dryman was born March 5, 1877. He was married to the former Miss Martha Jane Cabe, who died in 1951.

In addition to Mrs. Henry, he

is survived by three other children, William Dryman, of Franklin, Fred Dryman, of Otto, and Mrs. George Conley, also of Otto, and 29 grandchildren.

Serving as pallbearers were Ernest Conley, Don Conley, Noah Lee Henry, J. L. Henry, James Virgil Henry, and Claude Dryman.

The Clayton and Dillard Funeral Home, of Pickens, was in charge of arrangements.

**AMOCO GAS**

Make your car happy — give it a treat — Amoco Gas, the most famous of all Amoco products, is one example. This is the only motor fuel which derives its high anti-knock values from the manner in which it is refined, and not from some chemical "additive" dumped into the finished product to correct a fault. Amoco Gas leaves no metallic deposit.

Visit one of your local Amoco Service Stations for courteous and prompt service.

American Gas, too, is famous as the "best of the regulars".
