*FAITH ALONE can guide
 man's footsteps into the future*

In these days of swift change and catastrophic events the eyes of thoughtful men turn from the present to the unknown future. What does it hold for them, their families, their friends and their world?

Behind the dark veil that separates today from tomorrow may lie strange, new forces, treacherous tides, innumerable hidden dangers and new foes of human life and happiness. These are the great uncertainties of life.

The man of today, like his primitive ancestor, peers anxiously, even fearfully, into the future and tries to solve its mysteries, but the effort is futile. His vision is unable to pierce the darkness that shrouds tomorrow and tomorrow and tomorrow.

Yet man has risen from primitive degradation, through all the difficulties and dangers of the revolving years, to his present civilized estate. He has fought the beasts of the forests, the diseases of the jungle, the pangs of hunger and the sting of cold—and has survived.

He has survived and become preeminent in the world because he possessed faith—faith in himself and his race, and faith in a Supreme Being who drew the pattern of the universe and made the laws that govern human destinies.

This is the golden thread that runs through human history. It is the key to all the uncertainties and mysteries. It is the light that has guided man's footsteps into his eternal futures.

HOLY BIBLE

**THE CHURCH FOR ALL...
 ALL FOR THE CHURCH**

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
