Springs Brings Em To Clark's Chapel Meeting

By MRS. WILEY BROWN
(Community Reporter)

The Clark's Chapel Rural Community Development Organization doubled its attendance at its March meeting. It must be spring!

A large group of 4-H members and prospective members attended and three of them took part in the program.

Mrs. Wiley Brown gave a foods and nutrition demonstration, using casserole dishes.

A committee was appointed to investigate sites for community picnic grounds and arrangements were made to start repair work on the church immediately. A generous application of fertilizer already has been applied to the church grounds and cemetery.

Saturday Set By Communities For Cemetery Work

By J. L. SANDERS
(Community Reporter)

The three communities of the Union School District, Prentiss, West Union, and Longview, met March 18 and the following business was transacted:

It was decided to build tables for the road-side park. Elmon

Teggie is donating lumber for the table tops.

Also, each Saturday is set as a work day on the cemeteries in the district.

It has been agreed that members of each church furnish labor for the individual church cemeteries, aside from the two already worked on. The associations will supply seed, lime, and fertilizer for all.

Everyone who is unable to help with free labor is requested to give a donation for seed, etc.

Don't forget, Saturday is cemetery day for all communities. Send donations to Jess L. Sanders, Star Route, Prentiss.

COMMUNITY MEETING
