Ellijay

Jerry Young, of Ellijay, and James Freedy, of Cullasaja, enlisted in the U. S. Air Force and left Thursday, April 8, for Lackland Field, Tex., to begin basic training.

Charlie Moore, Sr., and daughters, Misses Jean and Mamie Ann Moore, of Gastonia, are spending several months at their summer cabin on upper Ellijay.

Mrs. John C. Henry and daughters, Miss Betty Henry and Mrs. Horn, all of Macon, Ga., spent the week-end visiting Mr. and Mrs. Robert Henry and Mr. and Mrs. Fred Mincey.

Cpl. Wiley Henry and family, of Fort Bragg, spent the week-end with his parents, Mr. and Mrs. Robert Henry.

Frank Henry, of Cullasaja, and Napoleon Henry, of Franklin, Star Route, visited their sister, Mrs. Roy Ivester, in Winston-Salem, and Mr. Ivester, who is seriously ill in a Durham hospital, this week-end.

A post-war record high production (29.5 million bales) is expected to be recorded this year for cotton produced in the free world.

Roane Joins New Outfit In Korea

Cpl. Earl J. Roane, son of Mr. and Mrs. Frank Roane, of

Franklin, Route 1, recently was transferred to the 7th Infantry Division in Korea, the Army Home Town News Center announced this week.

The Macon soldier arrived on

the peninsula last August and had been serving with the 48th Infantry Division, which is being returned to the States. He will finish his tour of Korea

duty with his new division, the announcement said.

Pvt. Roane entered the army in February, 1953, and received his basic training at Camp Roberts, Calif.

New strength and stamina! Lower upkeep costs!

New Chevrolet Trucks...

do more work per day... more work per dollar!

You save hours on the road. Thanks to new high-compression power, you can maintain faster schedules without driving at higher maximum speeds. Increased acceleration and hill-climbing ability let you save time where it counts.

You save time on deliveries. With new truck Hydra-Matic transmission, you save time at every delivery stop. And you can forget about clutching and shifting for good! It's optional at extra cost on 1/2-, 3/4- and 1-ton Chevrolet trucks.

You save extra trips. That's because of the extra load space you

get in the new Advance-Design bodies. New pick-up bodies are deeper, new stake and platform bodies are wider and longer. Also, they're set lower for easier loading.

You save with lower upkeep, too. Extra chassis strength saves you money on maintenance. There are heavier axle shafts in two-ton models... bigger clutches in light- and heavy-duty models... stronger frames in all models.

You save on operating costs. New power saves you money every mile! The "Thriftmaster 235" engine, the "Loadmaster 235" and

the "Jobmaster 261" (optional on 2-ton models at extra cost) deliver increased operating economy.

And your savings start the day you buy. In fact, they start with the low price you pay and continue over the miles. Chevrolet is America's lowest-priced line of trucks. It's also the truck that has a traditionally higher trade-in value.

Come in and see all the wonderful new things you get in America's number one truck. We'll be glad to give you all the money-saving facts.

MOST TRUSTWORTHY TRUCKS ON ANY JOB!—Chevrolet Advance-Design Trucks
