## TO THOSE WHO BUILD

This sturdy structure was built, not to prevent storms, but to withstand them. Every known device was used to make this building safe from the winds and rains that beat upon it.

So we should build for our children! Nothing parents can do will prevent a child from facing the realities and storms of life. All too soon he will face evil influences; all too soon he must make his own decisions.

But parents can help. As this ancient castle was constructed to withstand storms, so the spiritual life of the child should be fashioned to withstand the temptations and passions that will beset him. His character should be fortified with faith so as to meet the problems of life courageously, successfully and happily.

Every child should be taught to love God and his fellowman. He should learn to know the great personalities of the Bible who drew their strength from God. He should experience the strength that comes from prayer and be ever receptive to God's gift of grace.

It is the duty of adults to bring their children, and if need be their neighbor's children, to church school and worship services. For nothing is so important in a child's education as a true knowledge of the way of life as taught from the pages of the Bible.

### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
