By MRS. ELMA RUSSELL (Community Reporter)

A few end-of-the-year business matters were taken care of at a meeting of the Cullasaja Rural Community Development Organization October 5 at the school. Family score sheets for the rural contest were turned in and plans were made to work on the scrapbook.

Reports of the Home Improvement Committee included: George Gregory has built a new road to his home, has built a new barn, woodshed, and a garage; E. G. Crisp has built a two-room cottage; Mr. and Mrs. Bert Mashburn remodeled their kitchen, built two bedroom closets, painted their house inside, underpinned the house with cement blocks, and purchased a vacuum cleaner; Theodore Hedden has installed an electric pump and water heater; Dewitt Thompson has installed a bathroom and has built kitchen cabinets, purchased a TV set and a vacuum cleaner, and built a new chicken house; Edd Jennings has put a new roof on his house; Clyde Cook has built a screened-in porch and bought a vacuum cleaner; and Hoyt McCall has dug a well.

The following work has been done on the Church Improvement project: The Salem Methodist Church has been painted and the steps repaired; a four-room cottage was built on the Assembly of God Camp Ground and the dormitory and the cafeteria were stained and \$500 worth of springs and mattresses and other bedding were purchased.  
 The next meeting of the community is scheduled November 1 at 7:30 p.m. at the school.

**Higdonville Closes Year**

By MRS. BERTHA H. BRYSON (Community Reporter)

The Higdonville Rural Community Development Organization held its last regular meeting of the 1954 contest year October 7 at the Cullasaja School. The devotional was given by Fred Corbin. A poem was recited by Kathryn Berry, Nancy Berry, and Della Gray, 4-H Club members.

Ullis Carter, chairman of the nominating committee, presented the following slate of officers for 1954-55, which was approved by the organization:  
 Harry Moses, president; Mrs. Ann Berry, vice-president; Mrs. Bertha H. Bryson, secretary; Mrs. Ted Higdon, treasurer; and Mrs. Dixie Moses, reporter.  
 Fred Corbin will be in charge of the devotional periods for the meetings.

A game at the meeting netted \$4.35, to be used for 4-H signs. We are grateful to Mrs. Harley Stewart and Mrs. Ted Blaine, of the Patton Community, for attending the meeting and giving helpful ideas on making the community scrapbook.

**Here's the 3-Way Bonus that's sweeping Buick to record sales in October!**

**BUICK BONUS** **Record-making allowance in October**

One look at the national sales figures tells you this: Buick is outselling every other car in America — regardless of price class — except two of the "low-priced three." And just to keep sales soaring — we're willing to give a whole of an allowance this month — to keep success rolling in high. So come in — get a car and a deal that are too good to miss.

**BUICK BONUS** **Higher resale value**

Year after year, Buicks have always carried a high resale value. But the 1954 Buick has an even bigger edge in its year-ahead styling. It will still be fresh and new-looking when other '55 models come out. So the new Buick you buy today will keep you plenty of dollars ahead when you trade it in.

**BUICK BONUS** **Tomorrow's styling today**

You can see it on every new Buick on the road — glamorous new-day styling keynoted by that broad panoramic windshield that most other cars won't have till 1955 or later. And with this advanced styling, you get Buick's record-high V8 power, luxurious room and comfort, that famed Million Dollar Ride — and all for prices that start just a few dollars above those of the so-called "low-price three." Result: Buick is now outselling all other cars in America except two of these "low-price three!"

The spectacular 200-hp Buick CENTURY — America's highest-horsepower-per-dollar car — and priced next to Buick's lowest.
