**But-Now's the time
to Talk Turkey on the
buy with the
3-way Bonus!**

We'll give it to you straight.

Buick's percentage of the nation's total new-car sales has reached an all-time high for the past generation. Sales are soaring so high that Buick now is outselling all other cars in America—regardless of price class—except two of the so-called "low-price three."

We aim to keep it that way, and end the 1954 model year with a new record—and we're willing to go all out to make it.

So we're talking turkey right now with prices and trade-ins too good to miss. We're offering our best deals ever right now on the car that has the power, the ride, the room, and the styling that have taken America by storm.

Come see us, and you'll know what we mean.

Budget-priced hit of the "hardtops" is this stunning Buick SPECIAL Riviera—priced just a few dollars above similar models of the "low-price three."

**Here's the big 3-way bonus
we offer in Buick today**

Advanced Styling

—the very look of the new '55 cars is yours in today's Buick at a '54 price and "deal." Long, low glamor lines—sports-car snap—that trend-setting panoramic windshield—fresh, stay-new styling that means a higher resale value for you at trade-in time.

Better Buy

—a lot more automobile for your money—more room and power and ride comfort—plus traditional Buick solidity of structure—and all at prices that start right next to those of the so-called "low-price three."

Record-Making Allowance

—from the tremendous volume that has put Buick into the nation's top 3 best sellers. And just to keep sales soaring, we're willing to give a whale of an allowance right now to keep success rolling in high. So come in—get the car and the deal that are far too good to pass up.

Buick Sales are Soaring

so Buick "deals" are bigger
than ever right now!
