

SMART DIES ON SATURDAY

Was Construction Foreman For U. S. Forest Service Here

Wilson P. Smart, farmer and general supervisor of construction for the U. S. Forest Service here, died unexpectedly at his home in Franklin about 4:30 p. m. Saturday.

Mr. Smart, who was 59, and a veteran of World War I, was a member of the Veterans of Foreign Wars, the American Legion, and the Moose Lodge.

Funeral services were conducted Monday at 3 p. m. at the Franklin Presbyterian Church by the Rev. Bryan Hatchett, pastor. Burial followed at Woodlawn Cemetery.

Mr. Smart was born May 24, 1895, and was the son of Joseph and Mrs. Mary Cook Smart, of this county. On July 2, 1927, he was married to Miss Bertha Cunningham, of this county, who survives.

Other survivors include two daughters, Mrs. Hoover Henson and Miss Sara Smart, both of Franklin; four sisters, Miss Ada Smart, Mrs. Inez Woody, and Mrs. Hattie Mann, all of Franklin, and Mrs. Marinda Brown, of Dillard, Ga.; and one grandchild.

Serving as pallbearers were Frank L. Henry, Wade Arvey, Lex Arnold, A. A. Lee, Lawrence Potts, and George Scott.

Bryant Funeral Home was in charge of arrangements.

Stewart Gets Job To Move School Hill

Howard Stewart, Franklin contractor, was low bidder for removing the old gymnasium hill at Franklin High School.

Bids for the project were opened by the Macon County Board of Education in special session Saturday morning.

The proposed construction of lunchrooms at Otto and Cowee was mentioned only conversationally.

"We haven't given up yet," J. C. Sorrells, board chairman, declared. No funds are available for their construction.

One of five submitted to the board, Mr. Stewart's bid was 16 cents per cubic yard or \$2,001.92 for the entire job of cutting down the old gymnasium hill. The project entails moving about 12,500 yards of dirt in addition to the rubble left when the gymnasium burned last March.

With no gymnasium what to do about basketball practice—next on the high school's sports agenda—also came up at the meeting and, temporarily at least, cagers will practice in the chilly out-of-doors.

An all-weather asphalt basketball court was authorized by the board. It will be on the athletic field in front of the bleachers, and will be used for practice until the new gymnasium is ready for use. The court will cost an estimated \$700.

Franklin's scheduled home basketball games this season will be played on courts at nearby schools, most of them probably at Highlands.

In reporting on his surplus school furniture buying trip to Raleigh last week, School Supt. Holland McSwain told the board he has an order in for additional furniture also. On his trip he bought hospital beds for all of the schools and 33 teacher desks. The desks, he said, will be distributed where they are needed most. Many teachers are using chairs with boards across them for desks, the superintendent added.

Other contractors bidding on the removal of the hill included Macon Construction Company, Macon Mica Company, and Thomas J. Seay, all local outfits, and Ferguson and Deitz, of Sylva.

Tomorrow (Friday) night, the Panthers play host to Bethel High in a non-conference game. The kickoff will be at 8.

In downing the Panthers, Murphy drove 80 yards to their first score in the opening stanza with Eddie Joe Elliott carrying over for the final four yards.

The Panthers' lone tally came midway in the third period when Richard Renshaw went off tackle for 13 yards to pay dirt. Bobby Gregory made the extra through the line.
