This Week With Macon County Agents

By Mrs. Florence S. Sherrill (Home Agent)

Home demonstration clubs are organized where there is suffiient interest to have a minmum attendance of 10 members. The clubs have officers as follows; president, vice-president, secretary, and treasurer, with project leaders in the vari-

ous phases of homemaking.
The executive board, made up of club officers, guides the pol-

icies and program of the club. Clubs arouse interest in better home and community life and joint work is carried on throughthe year between farm and home agents. A county pro-

munity development groups now organized in Macon County.

ing on the Unit Test Demonstration program of the Tennessee Valley Authority. These families make their farm and home plans, keep records of expenditures, and hold meetings to discuss their problems. The agents work closely with these families. A tour was held in August 1954 and four farms were visited.

There are 23 active home demonstration clubs with an enrollment of 525 members.

Higdonville and Highlands organized clubs in 1954. Some highlights of 1954 club

Over 175 women attended the spring federation program held at Cowee School with the Cowee Club as hostess. Liberty and Oak Grove were co-hostesses. The dress revue was a highgram is set up with joint re- light of this annual program. sponsibilities for reaching the The special music sung by the

goals of a long-time plan of choral group was an added at-work. From time to time the agents meet with the 21 com-enjoyed the most by all was the enjoyed the most by all was the participation of the 4-H choral group. This was the first time Other joint work includes the that the 4-H'ers had appeared 24 families that are cooperat- on a program.

The home demonstration 'Achievement Day" was different in 1954 in that it was built around club members. Each club voted for three women to be honored at the "Achievement Day" on the basis of the contributions they had made to their community. Sixty-eight women were so honored. The most exciting part of the whole day was the awarding of The Gavel to the club with the highest achievement. Cowee Club won for the first time with a total of 2,432 points. Oak Grove was second with 2,-040 points. The Oak Grove women helped get an underprivileged girl into a school for girls in north Georgia; gave 14 baskets at Thanksgiving and 20 at Christmas to shut-ins and needy families; purchased a radio battery for shut-ins; and helped provide facilities for the seeing eye dog of a blind girl in the community.

2 Scouts Get **Honor Court** Promotions

Two Boy Scouts of Franklin, Taking part in the program will be the Rev. Bryan Hatch-ett, Mrs. C. Banks Finger, city Girl Scout chairman, Mrs. J. L. Troop 1, received awards at a Smoky Mountain District court of honor in Sylva last Thursday

E. Gary Crawford was advanced to Second Class. Ronnie Evans received the Public Health merit badge.

As a feature of the honor court, Asst. Scoutmaster Bill Garrison and Scouts Gary Mc-Kelvey and Gilmer Henry were presented an axe won by their troop in a recent attendance contest. Mr. Garrison also was recognized for having completed his basic training as a scoutmaster.

With the turn of the new year, Macon County has 168 registered Scouts in five troops, according to Tom Speed, of Sylwa, district Scout executive. A breakdown shows Franklin, Troop 1, with 65; Union, Troop 30; Franklin (Carson), Troop 6, 17; Highlands, Troop 7, 39; and Franklin (Cartoogechaye), Troop 8, 17.

The federal government collected more than a billion and a half dollars in North Carolina in internal revenue taxes in 1953.

It's the style hit of the year!

700 can take our word for it when we tell you this:

The first time we put eyes on the 1955 Buicks, we really raised a cheer. To top the looks of last year's Buickthe car that moved Buick into the top three of the nation's best sellers-

that was something. That gave us two hits in a row, we figured-and it seems we figured right.

For with these stunning new 1955 Buicks, we're getting even more noses pressed against our showroom windows than last year-and more folks coming in to look and study and drive and buy.

But bold new styling, of course, is just one reason for the sensational success of these great cars.

New power is part of the picturerobust new V8 power in record might -236 hp in the CENTURY, SUPER and ROADMASTER-188 hp in the lowpriced Special.

New performance, too-from the dynamic action of Buick's Variable Pitch Dynaflow* that gives you far better gas mileage in all normal driving and cruising - and full-power getaway or safety-surge acceleration, but instantly, and with infinite smoothness.

So you can see that just looking isn't enough. You have to take that wheel, try that

power, feel that Dynaflow take-hold surge, sample that Million Dollar Ride-and check the hard-to-pass-up prices we're quoting.

We'll gladly help you do all that. Why not come in this week?

*Dynaflow Drive is standard on Roadmaster, optional at extra cost on other Series

Burlington Mills Favors Wage Law Burlington Mills favors adop-

tion of the 90-cent-an-hour minimum wage law recommended by President Eisenhower, according to J. Spencer Love, board chairman and president of the textile concern.

Burlington Mills backed the increase to the present 75-cent minimum several years ago and believes that another increase warranted. Mr. Love said, in answer to inquiries as to his stand on the proposed new 90-cent minimum wage, that he did not believe the figure would be a hardship to the textile industry or hinder its recovery, now getting under way. Such a wage minimum is proper under today's economic conditions, he added.
