Patton each gave the 4-H Club an acre of ground to grow corn on and the proceeds from the sale of the corn will go on the debt for building materials.

A committee, composed of Ted Blaine, Richard Bingham, Mrs. Homer Cochran, and Mrs. R. D. Wells, was appointed to select three prizes for the winners of a contest the community will conduct later in the year.

A report was made to the effect that work on telephones for the community will begin this spring.
