No. 3

Mrs. O. C. Hall and Luther Jacobs.

For the Highlands district, the board chose C. E. Mitchell, and Tom C. Harblson, both re-appointed, and Joe Reese. Recently only two served on the Highlands committee.

The reduction in the size of the Franklin and Nantahala committees and the appointment of the three committees was accomplished in a single motion, made by member C. C. Sutton and seconded by member O. F. Summer.

Earlier, Mr. Summer had moved the reelection of Mr. McSwain and Mr. Sutton had seconded that motion.

Both motions were passed without discussion.

On both, Chairman Erwin W. Patton voted with the other two members.

The only other action was an informal decision to appoint, at a later date, advisory committees of three members for each school in this district. The duties of those committees will be outlined by the board from time to time, it was said.

Within the next few days, Mr. McSwain said, the new committees will be mailed official notifications of their appointments. They are expected to be sworn in and hold meetings soon.

Thursday's meeting was the second for the new county board of education. Thursday night of the week before, the three members had been officially sworn in and had elected Mr. Patton as chairman.

The board was appointed by a legislative act, ratified April 4, introduced by Representative G. L. Houk. The act reduced the board membership from five to three, and named the three appointed in place of five nominated in last spring's primary election.

Following last week's brief session, the board members and Supt. McSwain inspected the gymnasium construction work under way at the Franklin school, and then drove to Bryson City to attend a district school board meeting.

Meeting Held Here To Study C.A.P.

A preliminary meeting pointing to the organization of a Civil Air Patrol unit in Franklin was held last (Wednesday) night at Franklin High School.

C. A. P. officials from the Asheville unit plan to be here May 1 at 2 p. m. to assist with organizational procedure.

Frank Plyler, temporary head, said all adults are eligible to join the unit. He emphasized that possession of a pilot's license is not necessary for membership. The operation of an active unit covers many phases other than flying, he said.

BIRTHS

Mr. and Mrs. Andrew Davis March, of Franklin, a daughter, Andrea Gail, April 13 at Angel Hospital.

Mr. and Mrs. Frank Franklin, of Franklin, Route 3, a son, Swann Franklin, Jr., April 14 at Angel Hospital.

Extension Fails To Raise Red Cross Quota In County

A 15-day extension has failed to raise the \$3,750 quota set for the local American Red Cross fund drive, Mrs. Elizabeth McCollum, executive secretary, reported yesterday (Wednesday).

With the end of the extension last Thursday, only \$2,029.70 was on hand, she has reported.

Many contribution figures still have not been reported by community organizations and individual solicitors, the secretary said.

"It is important that this year's drive be closed at once, whether we make the quota or not... It is interfering with the success of other drives now in progress", Mrs. McCollum noted.

Among communities requested to make reports immediately are Clark's Chapel, Burningtown, Gneiss, Mulberry, and Prentiss.

The annual drive was scheduled to run during March only, but the extension was granted in the hope the quota might be reached.
