Our Precious Dad

In memory of Walter Lee Potts

Now gone from this world is our father so dear. Leaving the old home-place so lonely and drear. He's found that bright home of sweet peace and rest, for which he's been seeking, prepared for the best. Our mother's still with us God bless her dear heart and with her we're waiting for the clouds to part, revealing our Saviour bursting the blue skies then out of their graves our loved ones will rise and we'll be caught up to meet them in mid-air forever to be together. Gods glory to share
