

Garden Club Now Planning For Annual Tour And Show

The Highlands Garden Club is completing plans for its two main events of the summer, a garden tour and a "Parade of Stars", or the flower show.

The tour, scheduled for August 5 and 6, will cover 12 to 14 homes and gardens which will be divided, as last year, in two groups: Tour A and Tour B, allowing visitors a choice, or a more comprehensive view, if they wish to take both tours. Some of the estates of last summer's tours will be included, but the greater percentage will be different. Transportation will again be furnished. Mrs. Harvey Trice is chairman of this project. Mrs. John H. C. Perry, co-chairman. Mrs. J. Manson Valentine, publicity chairman, and Mrs. Robert DuFree in charge of transportation.

The flower show, "Parade of Stars," scheduled for August 13 and 14, will be held in the Highlands School auditorium and will include many special exhibits, such as wild flowers of the area, medicinal plants, mushrooms, and other fungi, an Auduban table, Boy Scout projects, and the forest service, as well as the usual entries in horticulture and arrangements.

Mrs. Ainsley Carter is general chairman of the show, but she will have many assistants and divisional chairmen who are to be announced soon. Mrs. J. M. Valentine is publicity chairman.

Improvement and landscaping for the Hudson Free Library will be paid for by the club with proceeds from tour and the show. Other civic projects also will receive donations.

Will Show Movies Here

On the evening of July 14 at 8 o'clock at the Highlands Museum building, two film features on wild fowl will be shown.

"Out of the North", a color movie of the story of wild fowl, and "Prairie Wings", also in color, best known of all the water fowl movies, are on the program.

Conducting Enlargement Campaign At Highlands

Miss Henrietta Ried, of Greensboro, is conducting an enlargement campaign for the Highlands Baptist Church training union this week.

Classes are being held each night at 7:30 p. m., with Miss Ried as instructor for the adults and young people, and Mrs. D. A. Rhodes for the juniors.

Miss Ried attended Duke University, Durham, and is working this summer with 15 other college students who are conducting enlargement campaigns in various Western North Carolina churches.

Foreign Forest Officials Visit Highlands Area

Martin R. Reyes, forester from Luzon, Philippine Islands, and R. A. De Rosayro, forester of Colombia, Ceylon, recently spent several days on the Highlands District, according to District Ranger J. W. Laros.

Under Foreign Organization Administration (F. O. A.) sponsorship, they observed the results of such forestry activities as tree planting and timber stand improvement. They were also interested in selective timber marking for sawlogs and marking in young timber stands for thinning, as well as logging and timber cutting.

A note of interest concerning logging in Ceylon by Mr. De Rosayro was that log skidding and loading is done by trained elephants. Mr. Reyes said in the Philippines logging is done by tractor and use of the high leaf system. In the Philippines Mr. Reyes works with timber management. In Ceylon Mr. De Rosayro is senior assistant of the conservation of forests, in charge of forest management.

Mr. De Rosayro said mountains in Ceylon are about 8,500 feet in elevation and have a climate similar to that in Highlands.
