Thursday: Holly Springs club at the home of Mrs. Charlie Williams at 1:30 p. m.

COMBINE YOUR NEW CHEVROLET PURCHASE WITH YOUR VACATION PLANS!
Order a new Chevrolet through us, then pick it up at the plant in Flint, Michigan, see Chevrolets built, if you like, and drive yours home. Chances are, you'll save a substantial share of your vacation travel costs!

Twin Pipes that play sweet music!

Chevrolet's "Super Turbo-Fire V8" with 180 hp.

You can spot this one by the twin tailpipes. No matter what you drive, you're going to see twin-exhaust Chevrolets pulling away—in traffic, on the toughest hills, on the long straightaways.

Unless you have a "Super Turbo-Fire V8" of your own. And then you'll know what it's like to pilot the car that sets the pace for everything else—and doesn't pause to read the price tags!

What makes the Super scot? Chevrolet's superb valve-in-head V8, with the shortest stroke in the in-

dustry, the most power per pound, and the only 12-volt electrical system in its field—all this plus a four-barrel carburetor and free-breathing twin exhausts.

Want to sample this silk-lined cyclone? Just give us a call, any day this week, and we'll be proud to show you just how hot a V8 can be.

**Optional at extra cost.
†Station wagon models have single exhaust pipes.*

NOTICE OF SERVICE OF PROCESS BY PUBLICATION

STATE OF NORTH CAROLINA
MACON COUNTY
IN THE SUPERIOR COURT
BEFORE THE CLERK
IN THE MATTER OF THE
ADOPTION OF
CHRISTINE ANN FERGUSON,
a minor
TO: BILLIE BOB FERGUSON:
Take notice that an adoption proceeding has been filed and is now pending in this Court for the adoption of Christine Ann Ferguson.

You have been made a party to this proceeding, and the nature of the relief being sought is to find that you have abandoned Christine Ann Ferguson, and that an order of adoption be entered in this proceeding and the relationship of parents and child be established between the petitioners and said child.
You are required to make defense to such pleading not later than the 28th day of July, 1955, and upon your failure to do so, the parties seeking service against you will apply to the Court for the relief sought.

This the 20th day of June, 1955
KATE M. WRINN,
Clerk Superior Court
J23-4tc-JHS-Jly14

IN THE SUPERIOR COURT SERVICE BY PUBLICATION

NORTH CAROLINA
MACON COUNTY
BETTY MOORE WOODY
vs
PAUL B. WOODY

The defendant, Paul B. Woody, will take notice that an action as above entitled has been commenced in the Superior Court of Macon County, North Carolina, for the purpose of obtaining an absolute divorce on the part of the plaintiff from the defendant on the grounds of two years separation; and the defendant will further take notice that he is required to appear at the office of the Clerk of the Superior Court of said County in the Courthouse at Franklin, N. C., not later than the 21st day of August, 1955, and answer or demur to the complaint in said action or the plaintiff will apply to the Court for the relief demanded in said Complaint.

This the 24th day of June, 1955.
KATE M. WRINN,
Clerk Superior Court

Shoe Care For Summertime—Shoes will wear better and last longer if you take good care of them. It is important to select good quality leather when you buy shoes.
Brush and polish shoes regularly. Saddle soap is an excellent cleaner to keep around the farm. Shoes when cleaned with saddle soap stay soft and comfortable. Also, you may use cream polish, liquid polish, or wax polish that contains no turpentine to clean smooth leathers such as calf, kid, etc. Turpentine dries out leather. Neutral-colored cream may be used on all shoes of leather but will not cover water stains.

Daily Care of Clothing—Always put on and take off your clothing in the correct way. Shake, brush, and air garments overnight. Keep closet doors open for air to circulate.
Zip up the plackets and button the buttons before you hang your clothes in the closet. This keeps skirts straight. Tissue paper stuffed over shoulder pads keeps blouses and dresses hanging in shape. Use clothes hangers; padded ones are best.
Remove spots and stains as soon as possible. Perspiration stain may be removed with a damp cloth as soon as garment is taken off.

State College Answers Timely Farm Questions

Q. How fast should water be applied when irrigating?

A. Water should never be applied faster than the soil can absorb it. The infiltration rate varies with the type of soil.

Q. At what age should cattle be dehorned?

A. It is important to dehorn calves when they are small—from one week to two months old.

Q. Why the sudden preference for light-plumaged birds?

A. Growers like them because they market readily, processors because they are easier to dress, and consumers because they look clean and appetizing.

1955, a special meeting of the Stockholders will be held at the office of the Association, Room 26, The Bank of Franklin Building in Franklin, North Carolina, at 7:30 o'clock p. m., on the 8th day of July, 1955.

This 24th day of June, 1955.
