

Flower Show Rules Listed With Breakdown Of Entries

General rules and regulations and a breakdown of show classifications for the Franklin Garden Club's show, "Come to the Flower Fair", were announced this week.

The show this year is being held in conjunction with the Macon County Fair, which opens August 11 for a three-day run on the grounds at Franklin High School. Set for the school cafeteria, the flower show, however, will be held only the last two days (12th and 13th). On the 12th, hours will be 2 to 9:30 p. m., and on the 13th, from 9 a. m. to 9:30 p. m.

Rules and regulations governing exhibits are listed below:

1. Anyone interested may exhibit.
2. Entries must conform to the schedule.
3. Plants on the conservation list may not be used, except in displays for educational purposes, which are non-competitive.
4. Accredited flower show judges will use the standard system of judging and their decisions will be final.

5. Entries will be received between 8 and 10:30 a. m. on the day of the show. After that hour, no person will be allowed in the exhibition hall, except judges and show officials.

6. All horticultural specimens must have been grown by the exhibitor. Potted plants must have been in the exhibitor's possession at least three months.

7. All arrangements must be the work of the exhibitor, but he does not have to grow the material used. Foliage is permitted in all arrangement classes; accessories are permitted only as stated.

8. An exhibitor may place only one entry in each class and its subdivisions, with the exception of horticultural specimens (including potted plants) where each separate color will constitute a subdivision.

9. Uniform containers and tags will be provided at the show for the horticultural specimens except in the case of collections which might require a larger container.

10. Exhibits must not be removed before 9:30 p. m. Satur-

day from the exhibition hall, but must be removed after that time.

11. A receiving committee will assist the exhibitor with properly entering and placing the exhibit.

12. A tri-color ribbon will be awarded to the best horticultural specimen; also a tri-color ribbon will be awarded to the best arrangement in the show. (A tri-color ribbon counts as an extra blue ribbon point).

13. Sweepstakes award will be given to the winner of the greatest number of points in the show.

14. Every precaution will be taken to protect exhibitor's property but show officials cannot assume responsibility for any damage or loss.

Following is a breakdown of each section of the show:
