

# Services Of Macon County Churches

What is education but a broadening of man's knowledge, enabling him to live a better life? Education is like a doorway leading to the fulfillment of dreams and ambitions. Beyond it lies the vast chamber of the mind, and scientists know that in a lifetime most men develop only a small part of their mental potentialities.

In our search for education today, one type is sometimes slighted . . . religious education. Yet in all the fields of learning what could be more important? Man needs Faith and a knowledge of his Church if he is to reconcile so much that is happening in the world of today with the kind of future he would like to have. In your reading and studies, don't forget religion. There is nothing stuffy about the study of it, nothing dull. It is as significant as yesterday . . . as full of promise as all tomorrow.

## THE CHURCH FOR ALL . . . ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.
