**MISS HENDERSON MARRIES  
 TALLENT ON JANUARY 14**

Miss Helen Henderson, daughter of Mr. and Mrs. Glen Henderson, of Franklin, Route 3, and Theodore Tallent, son of Mr. and Mrs. Lloyd Tallent, also of Franklin, Route 3, were married Saturday afternoon, January 14, at the Iotla Baptist Church parsonage.

The Rev. M. C. Wyatt, pastor of the bride and groom, performed the ceremony.

The bride wore a street-length dress of peacock blue with black and white accessories. Her corsage was of white carnations.

Miss Mavis McCall served as maid of honor and Garland Willis was best man.

Mrs. Tallent is a graduate of Franklin High School and Harper's Method Beauty School, in Atlanta, Ga. She is now employed at Clark's Beauty Shop.

Mr. Tallent attended Franklin High School and served two years in the U. S. Army. He is employed by Conley Motor Company.

Mr. and Mrs. Tallent are living in the Iotla community.

Mr. and Mrs. Paul Davis and son, Frank, of Toccoa, Ga., visited Mr. and Mrs. Virgil Meadows and other friends here Sunday.

Misses Harriett and Mamie Lee Murray, Miss Kate Jacobs, and Miss Margie Roper spent Sunday in Cullowhee with friends.

Mr. and Mrs. A. R. Higdon spent

MILLER HARVE TALLENT indicates the dogwood rounds in the wooden machinery which operates the 95-year-old Addington mill. The rustic wheels of the machinery are fashioned from white oak and have turned faithfully and with purpose since 1861, the year J. B. Addington had the mill constructed.

the week-end with their daughter and son-in-law, Mr. and Mrs. Livingston Green, in Burlington.

Mr. and Mrs. Grover Schafer have returned to their home on Wayah Road, after an absence of a month on business in Detroit, Mich.

Mr. and Mrs. E. S. Purdom left last week to visit Mrs. Purdom's sister, Mrs. Wesley Elston, in Leesburg, Fla., and friends in St. Petersburg, Fla.

Mrs. Vernon Pruitt and four children went to Ellijay, Ga., the past week-end to get Mrs. Pruitt's daughter, Pamela Pruitt, who had

spent two weeks visiting her grandparents, Mr. and Mrs. Thad Cloer.

Mr. and Mrs. Paul Long and twin daughters, Linda and Glenda, went to Morrow, Ga., the past week-end to visit Mr. Long's father, Homer Long, who is ill.

Mrs. John Crawford and daughter, Donna, and son, Bruce, of Atlanta, Ga., spent the week-end here visiting their grandmother, Mrs. Myra Allman, and other relatives.

Mr. Gus Leach went to Swannanoa the past week-end to visit

**Cottage Pudding**

1 3/4 cups sifted flour  
 2 1/2 tsp. baking powder  
 1/2 tsp. salt  
 1/4 cup shortening

**AT FURNITURE SHOW**

Mr. and Mrs. Bowden Dryman are in High Point this week for the furniture show.

1 cup sugar  
 1 egg  
 1 tsp. vanilla  
 2/3 cup milk

Sift flour and baking powder and salt together. Cream shortening and sugar gradually. Beat in egg and vanilla. Alternately add flour and milk to sugar mixture, beating after each addition until smooth. Pour into greased pan and bake in moderate oven 350° F 30 to 45 minutes.

**Blueberry Pudding**

Add one cup of blueberries to cottage pudding batter and bake in greased baking dish or muffin pans.

**One take-off for traffic**  
**-and two for the road-**

**THE** light is red and you're ready.

It flashes green and you go—but *quick*.

And that's when you discover the Number One news about Buick's new Dynaflo . . .

That it gives you brilliant new getaway response for city traffic at only *part* throttle—even before you switch the pitch of this airplane-principled transmission. (And think of the big gas savings that means!)

Next comes the Number Two discovery—out on the road.

For here—still without switching the pitch—you have plenty more nimble acceleration to surge or spurt ahead, to climb hills, to do with almost effortless ease all the things normally called for by highway driving.

But comes an emergency—the need to get out of a tight spot—and you discover the Number Three news . . .

*That you can do what a pilot does. That you can switch the pitch of your Dynaflo blades—just by flooring the pedal. And that you get, instantly, a full-power take-off from cruising pace—an electrifying burst of acceleration—the most thrilling safety measure on four wheels today.*

This is performance too good to pass up—and you really ought to try it.

It's performance sparked by the whis-

pered might of big new 322-cubic-inch V8 engines raised to record highs in power and compression.

It's performance that goes with the best ride yet, the best handling yet, the best interiors yet, the best styling yet—and, literally, with the best Buick yet.

Come in and see—and be shown—and learn, in the doing, about prices that make these '56 Buicks the best buy yet.

\*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.
