

MRS. ASHE, MACONIAN, DIES FRIDAY

Passes At Atlanta
Home At Age Of 69;
Rites Held Sunday

Mrs. Erie Potts Ashe, 69, wife of Thomas Baxter Ashe, died Friday at her home in Atlanta, Ga. Mrs. Ashe was a native of this county. She and her husband had been living in Atlanta for about 15 years, where he is employed by the Georgia Power Company. She was a member of the Baptist church.

Funeral services were conducted Sunday at 3 p. m. at the Couch's Riverside Chapel in Atlanta by the Rev. Guy Owen and the Rev. John Tippett. Burial was in Crest Lawn Memorial Park.

A number of relatives from here attended the funeral.

In addition to her husband, Mrs. Ashe is survived by four daughters, Mrs. Carl Higdon, of Princeton, W. Va., Mrs. Frank Hogue, of Chicago, Ill., Mrs. J. D. Shirling, of Atlanta, and Mrs. H. L. Seckinger, of Carrollton, Ga.; two sisters, Miss Bessie Potts and Mrs. Arvil Swafford, both of Franklin; two brothers, L. W. and J. L. Potts, also of Franklin; and eight grandchildren.

THIS HUGE WHEEL screw is used to lift mill stones from the grinding chambers in the old Addington mill. Large hooks at the end of the screw picks up the stones as the operator turns the wheel. J. W. Addington, whose father built the mill in 1861, stands at the machinery.

Comments From Satisfied Customers

"Now we don't have to wait on our grinding."

"The best feed I have ever had and the quickest service on grinding."

"Now our feed is ground uniformly."

"I am sure that adding syrup makes the feed better."

Our new mill enables us to grind 9 tons of corn per hour. We are now operating the largest, best equipped and fastest grinding mill west of Asheville.

STAR CHIEF TWO-DOOR CATALINA

The car says GO and the price won't stop you!

Puts more Power where it Counts!

THE SECRET OF PONTIAC'S BLAZING GO

IS IN THE TEAMWORK OF TWO ENGINEERING MASTERPIECES

They were born to go together, these two—the mighty *Strato-Streak V-8* engine and the revolutionary new *Strato-Flight Hydra-Matic* drive.

You can feel the difference . . . actually feel it. Feel it in the response—quick as the flick of an eyelash. Feel it in the tremendous thrust—oil smooth and effortless. And feel it in that breathtaking, almost unbelievable extra burst for the split-second sprint to safety past slow-moving traffic in your path.

Here is power and go you dream about . . . but this time it's real, because you're piloting the most modern power combination on the road . . .

A new engine: the brilliant *Strato-Streak V-8* with almost 317 cubic inches of displacement for barrel-chested deep breathing . . . with a super-

efficient 8.9 to 1 compression ratio to squeeze the last ounce of go out of every drop of gas . . . with high torque for sizzling take-off . . . with a blazing 227 horsepower!

A new transmission: an engineering masterpiece specifically designed to utilize the full thrust of that great engine . . . with gears for instant response and crisp, positive acceleration . . . and an amazing liquid-link coupling for a silky-smooth flow of power to the rear wheels.

Test drive this fabulous '56 Pontiac tomorrow—we promise you, you're in for a thrill!

And another thrill is waiting for you when you hear the price! See your Pontiac dealer soon—make it a special point to do it—and get ready for two wonderful discoveries!

*An extra-cost option.

You can actually buy a big, glamorous Pontiac 860 for less than you would pay for 44 models of the low-priced three!

Koontz Arrives Here For Burlington Post

Dave Koontz, native North Carolinian, arrived here Saturday to take a job as methods and standards engineer at Burlington Industries, Inc.

He has been with the company's Scottsboro plant in Alabama.

A native of Lexington, Mr. Koontz has been with Burlington for five and a half years.

He is married and has two children. They are living in the Lee Barnard house on Baird Cove Road.
