Tough jobs demand a Universal 'Jeep'

Traction. 4-wheel drive gives the extra traction for traveling up steep grades or broken ground. The 'Jeep' is built to stand up and take it in tough usage.

Mobile power. With power take-off, the Universal 'Jeep' provides mobile power for operating welders, compressors, generators and many other kinds of specialized equipment.

Hydraulic lift. With hydraulic lift, the 4-wheel drive 'Jeep' operates graders, scrapers, post hole diggers and most 3-point hitch implements.

Now a 'Jeep' with longer wheelbase—the new model CJ-6. Carries larger, bulkier loads; has all the features that made the 'Jeep' famous.

A 4-Wheel-Drive Universal 'Jeep' takes you to the job, wherever it is—on the road or off! This rugged performer carries men and equipment over the highway in conventional 2-wheel drive. Then, when work calls for travel off the road—through mud, sand or snow, up hill or down—you shift a single lever for the extra traction of 4-wheel drive. With power take-off, or hydraulic lift, the Universal 'Jeep' does an almost endless variety of jobs. To find out what it can do for you, ask for a demonstration.

Amateur Show For Polio Is Slated At Cullasaja

BINGO PARTY SLATED FOR DIMES DRIVE

Rotary Club Plans Event Tonight At Slagle Memorial

A Bingo party, open to the general public, will be held tonight (Thursday) at the Slagle Memorial Building, as a benefit for the March of Dimes.

The event is set for 7:30 o'clock. The party is being sponsored by the Franklin Rotary Club, and the plan calls for each Rotarian to bring a prize. A large number of desirable prizes, therefore, are expected to be available.

Norman Blaine, Howard Barnwell, and W. L. Nothstein make up the arrangements committee. W. W. (Bill) Sloan has been responsible for publicizing the event.

Only 1.5 million marriages occurred in the U. S. in 1955, as compared with 2.3 million in post-war 1946.

An amateur show—featuring a variety of entertainment and entertainers—will be staged Saturday night at Cullasaja School for the benefit of the county March of Dimes.

Sponsoring the show, which will get under way at 7:30, is the Higdonville Rural Community Development Organization.

In announcing the event, Harry Moses, who is in charge, said prizes will be awarded to the three best acts appearing during the evening.

All entertainers in the county are invited to compete for the prizes, he said.

As an added feature of the amateur show, a half-hour program of string music and singing is to be presented by Hunter Young and his band. Mr. Young's band also will be available for use by singers and performers competing for prizes, he said.

Since World War II, shifting from state to state and place to place has lessened progressively.

To The Stockholders of --- Macon County Building & Loan Association

During the year 1955, your Building and Loan Association loaned \$355,395.00 of your savings.

All of these loans are secured by a first mortgage on Macon County real estate, conservatively appraised, with a monthly curtailment of the principal, which strengthens the security of each loan as the payments are made. No loan exceeds 66 2/3 per cent of the appraised value.

The above amount is represented by 163 loans averaging \$2,180.00 each. The following is a breakdown of the purposes for which these loans were made:

Sixty-five construction loans totalling \$160,075.00.

Forty-two loans for the purchase of homes, totalling \$77,700.00.

Nineteen loans refinancing existing loans held by others, totalling \$54,600.00.

Thirty-seven for home repairs and other purposes, totalling \$63,020.00.

From the above, you can see the part your savings play in the building of Macon County as a prospering community, and in raising the total tax valuation.

No savings account is too small for us to handle.
