

Red Cross Drive Reports Needed

"We need immediate reports." That's the word on the American Red Cross fund drive from Mrs. Elizabeth McCollum, executive secretary of the local chapter.

With little more than a week left in the drive, she said only \$350 of the county quota of \$3,730 has been reported by volunteer workers over the county.

If the county is to reach its quota by the end of the month, she said reports must come in immediately.

The meeting will be held at Franklin High at 7:30. Planes and personnel of the squadron here are set to assist in the operation, he said. Tomorrow's meeting will iron out details of the participation.

Drive For Crippled Under Way; Lilies And Seals For Sale

More than \$60 has already been received by the local chapter of the League for Crippled Children and Adults during the current drive according to E. J. Whitmire, chairman.

Lilies will be sold on the streets of Franklin on Saturday and Easter seals will be mailed this week in order to increase the funds raised in this county.

It has been estimated by local health and welfare department officials that more than 150 children in Macon County need services of the type furnished by this organization, Mr. Whitmire said.

Among the type of patients treated are those suffering from cerebral palsy, speech defects, major amputees, multiple sclerosis, arthritis severe, and muscular dystrophy.

An orthopedic clinic is conducted in Bryson City and the services of a nationally known specialist have been obtained through funds raised by the Crippled Children's League. Fifty-five per cent of the funds raised are retained by the local chapter.

This organization is sponsored locally by the Franklin Rotary Club.
