Mrs. J. S. Gray (Hickory Knoll Club)

For a meal with old-fashioned flavor that's perfect for these cold, wintry days, serve a New England Boiled Dinner featuring corned beef, cabbage, carrots and potatoes. Accompanied with other early American favorites—tangy beer, corn bread muffins and zesty mustard or horseradish sauce, it provides a meal that's perfect for informal supper parties as well as family meals.

NEW ENGLAND BOILED DINNER

3 to 4 pounds corned beef
4 peppercorns
1 bay leaf
1/4 teaspoon thyme
6 small potatoes, peeled
6 carrots, scraped
1 small head cabbage

Place meat in large heavy kettle with enough water to cover. Add peppercorns, bay leaf and thyme. Bring to boil. Reduce heat and cook, covered, 3 to 3 1/2 hours, or until tender. Meanwhile, cut potatoes and carrots into halves or quarters, if large. Cut cabbage into 4 to 6 wedge-shaped sections. About 30 minutes before meat is done, add vegetables to meat stock and cook until tender. If necessary, lift meat from kettle to make room for vegetables, then place it on vegetables to keep warm while vegetables are cooking. To serve, lift meat from kettle and remove surface fat before transferring to a heated platter. Remove vegetables from stock with a slotted spoon and place around meat. Makes 6 generous servings.
