Several Macon farmers plan to take advantage of the lamb pool in Clyde on May 25, according to County Agent T. H. Fagg.

The pool is the first for this section of the state this year. Mr. Fagg said farmers should give serious consideration to this pool since, over the years, it has developed into one of the best in the section.

Those having lambs for the sale are asked to notify the county agent's office not later than the 18th, so shipping space can be arranged in advance.

Farm real-estate values in November, 1955 averaged 5 per cent higher than a year earlier.

Farmers' intentions as of early March indicated as new high in soybean plantings and some increase over last year in flaxseed acreage.

Buick SPECIAL
6-Passenger 2-Door Riviera,
Model 45R

It's Bigger than Both of 'em

—but its price makes it one of America's 3 best sellers!

It's as simple as this:
Only two cars in all creation outsell Buick. And they are two of the well-known smaller cars.
So maybe it will pay you to ask how come Buick has zoomed to the No. 3 spot with such fast-selling company.
Well, one answer is the beautiful and brawny Buick SPECIAL you see pictured here—and the low price it carries.
It's the biggest bundle of high-powered performance and high-fashion luxury ever offered in Buick's lowest-priced Series.
And that means more people want it and can afford it, because it's priced only a

few dollars more than its two smaller-car rivals—even less than some models of those very same cars.
But the big answer comes from a sure fact more folks have discovered: you get more pure automobile for your money in Buick than you get elsewhere.
Here, you get the extra wallop of big new Buick power raised to a new high—and pouring in smooth whisper from a brand-new 322-cubic-inch V8 engine of true high compression.
Here, you get the matchless buoyancy of Buick's great new ride—the extra-safe feeling of Buick's new handling ease—the extra stretch-out comfort of Buick roominess—the extra solidity and strength of

Buick structure—the extra pride and prestige of Buick's new styling and dash.
Here, too—and nowhere else—you can get the silk-smooth performance and flash-fast response of Buick's advanced new Variable Pitch Dynaflo*—the world's only transmission with the gas-saving mileage and switch-pitch action of the modern airplane propeller.
This week—this very day, if you wish—you can sample all these Buick blessings to your heart's content and your pocket's joy. Why not drop in on us and do just that?
*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.
