'Object Matrimony' Gives Evening of Entertainment

Those who did not attend "Object-Matrimony", presented by the Community Players at East Franklin School last Friday night, missed an evening filled with mirthful entertainment and the opportunity to assist the Junior Woman's Club's needy children fund.

From the time the curtain went up until the last line of the three-act comedy, the audience roared with laughter and applause. The two directors, Mrs. Richard S. Jones and Mrs. Ted Reber, did an excellent job of casting and directing, which resulted in each of the seven members of the cast seeming to belong in his or her part.

The central character was Aunt Emma, "a maiden lady", played uproariously by Mrs. Grace O'Mo-hundro. Her two nieces, Louise and Katherine, were played convincingly by Mrs. Hershel Keener and Miss Freda Siler. The four men added spice to the plot and started a chain of comic situations. The parts were played by Kenneth Tallent, as Dick Christianson, Jack Angel, as Jack Norris, Holland McSwain, as Bud Gates, and Jim Williamson, as Joe Sparks.

During intermission Mrs. W. T. Jenkins, Junior Woman's Club member, presented J. Ward Long, winner of the "Hen Pecked Husband" contest, a large rolling pin tied with red ribbon.

The shadow in the corner of this ad is not that of a dried-up bull frog — and if you will put d-e-s-t-i-n-y in the place of l-i-s-t-i-n-g—(last week) it will sound better.

Some of you may have noticed that I am not in the store. Well, you see, I had to go to the hospital for a few days — and I'll have to be at home for a few more — but there will be someone in the store to get what you want. I'll be back as soon as I can.
