mate of anticipated revenues to guide it in planning appropriations. If allowed by the amendment to convene a month later, the assembly can be in session long enough to consider this matter after the estimates are in, without having to continue in session for an unnecessary length of time. This amendment would authorize the General Assembly to fix the most appropriate day for its meeting.

No. 2

No. 2: To authorize a married woman to execute a power of attorney conferred by her husband. Under this amendment, a husband required to be away from home or where he might be unavailable to execute a deed for various reasons, could give to his wife a written instrument authorizing her to sign and acknowledge deeds for him. He would be able to authorize his wife to sign his name not only to deeds of land belonging to her, but also to land owned by them jointly, or by the husband alone.

Ellis P. Soper has just returned from Caracas, Venezuela, and Bogota, Columbia, to spend a week with his family here. While here, he was visited by his daughter, Mrs. Ann Soper Gagner and her friend, Miss Dorothy Jubb, both of Hanover, N. H.

School Projects Should Begin Within 3 Weeks

Construction on three school projects should begin inside of three weeks, according to Supt. Holland McSwain. Bids totaling \$51,210 have been accepted by the board of education for two classrooms at Cullasaja School and vocational shops at Nantahala and Highlands. Bids were opened last Thursday. Low bidders and their bids were: General construction — W. B. Dillard, of Sylva, \$41,890. Heating—E. L. Erwin, of Sylva, \$5,100. Electrical—James P. Wurst, of Franklin, \$4,220. All submitted consolidated bids, the superintendent said. Since state money will be used in construction, the bids must be approved by the state board of education, he explained. As soon as this approval is received, work will start, Mr. McSwain added.

Interest in the second annual Macon County Fair is beginning to mount. Set for September 28-29 at Franklin High School, the fair is open to anyone in the county wanting to exhibit anything from apples to yams and beef and dairy animals.

Details of the two-day event will be completed tomorrow (Friday) morning at 9 o'clock at the Agricultural Building when members of the fair committee and agricultural council meet to arrange booth space and attend to other details.

The fair catalogue will be off the presses next week and ready for distribution. Officers of the fair association include Robert C. Parker, chairman, C. C. Sutton, vice-chairman, Mrs. Lawrence Patton, secretary, and Edwin T. Williams, treasurer.
