

Cowee Homecoming Is Slated Sunday

Cowee Baptist Church plans an all-day homecoming celebration on Sunday, it has been announced. The program is set to start at

10 a. m. and lunch will be served on the grounds at noon. Preaching and singing are to be featured. All singers and the public are invited to attend and bring a picnic lunch.

Dannie Tallent Ends Navy Recruit Training

Dannie Tallent, son of Jim H. Tallent, of Franklin, Route 3, was graduated September 15 from recruit training at the U. S. Naval Training Center at Great Lakes, Ill.

He is now on two-week leave and upon reporting back for duty will be assigned to a ship or service school.

Put a coating of wax on painted shelves before covering them with paper or oilcloth. This will prevent the cover from sticking to the wood.

Mr. 4% introduces...

A new guaranteed low cost whole life plan

the **\$25,000 SENIOR SPECIAL**

designed for the MAN with the "BIG NEED"

The \$25,000 Senior Special gives a "quantity discount" to the man who buys a substantial amount of life insurance at one time. Issued in amounts from \$25,000 to \$500,000, the Senior Special provides permanent insurance protection at the lowest cost. In fact, the insured gets up to 25% more protection than he would receive in similar type plans where the cost is not guaranteed.

Though a Special plan, the \$25,000 Senior can be issued rated for occupational and physical impairments.

Again, Mr. 4% has taken a giant stride to fill the needs of insurance conscious America...introducing the \$25,000 Senior Special.

Ford tandem axle BIG JOBS are rated to carry more payload than comparable tandems of any of the leading manufacturers. T-800 model has max. GVW of 45,000 lb.—GCW is 65,000 lb.

Ford's F-100 Custom panel is one of the top load carriers in its class. It provides 155.8 cu. ft. of cargo space in a smooth, fully lined interior and hauls up to 1,535 lb. of payload.

The hardest-working, biggest-saving "two-tonner" of them all is the Ford F-600. Only Ford offers a Short Stroke Six and three Short Stroke V-8's in this field. Max. GVW is 19,500 lb.

FOR BIG JOBS... SMALL JOBS... ALL JOBS

Ford Trucks cost less

And low first cost is only your first saving

Ford's F-100 pickup with 8-ft. box is the biggest in the half-ton field—up to 19 cu. ft. more loadspace than the others. Regular 6 1/2-ft. box with a full 45 cu. ft. capacity also available.

COME IN TODAY!

Before you buy your next truck, look at both sides of Ford's story of value. Check what you get and what it costs. You'll like what you see.

Look at the costs. Ford's first cost is low. Resale value is high. Modern Short Stroke engines—V-8 or Six—are designed for less friction, less wear, lower running costs. Maintenance costs are lower, too, because Ford trucks are built stronger for rugged long life. And a 10-million truck study proves Ford trucks last longer.

Look at what you get and you'll see you get more in a Ford. For example, more horsepower per dollar—proved by a comparison of factory-suggested list prices and net horsepower of all truck lines. You get more comfort and safety in Ford's Driverized Cab with exclusive Lifeguard features.

Look carefully... consider everything. You'll agree Ford trucks cost less, give you more. If you want a great deal—a great deal more for your money—see your Ford Dealer.

FORD TRUCKS LAST LONGER

Using latest registration data on 10,502,351 trucks, insurance experts prove Ford trucks last up to 9.9% longer.
