1,398 Farmers Here Taking Part In '56 A. S. C. Program

Miss Mildred Corbin, office manager of Agricultural Stabilization and Conservation, reports that, as of Sept. 17, a total of 1,398 Macon County farmers had participated in the 1956 Agriculture Conservation Program.

However, she feels the number could be increased. A number of tobacco farmers have not received any materials this year, Miss Corbin notes, and they might be interested in the cover crop practices offered under the program. Cover

crop seeds available now include rye, oats, barley, wheat, crimson clover, ryegrass, and vetch.

Cowee Revival Opens Sunday

A revival series opened Sunday evening at the Cowee Baptist Church with the pastor, the Rev. Clyde Rhinehart, as preacher.

A prayer service is held at 7:30 each evening, preceding the 8 o'clock preaching. Theme of the series is "More About Jesus".

Special music is on the program each night.

A homecoming also is scheduled at the church on October 7. This will be an all-day service.

Scene On The Beaten Path

By MRS. ALLEN SILER

Missing from the local scene is an energetic young woman with a sparkling personality and a bright smile for everyone. Mrs. C. Banks Finger, or "Bea", as she is known to many here (including the 15 teen-age girls who were members of one of her Scout troops), has moved to Columbia, S. C., with Mr. Finger and their young son, "Sonny".

Since coming to Franklin several years ago, "Bea" has been active in church and community activities. Her absence will be felt by all the groups with which she shared her enthusiasm and talents, but none can possibly miss her as much as the girls of the Scout troop whom she has practically "raised".

She worked and played with them and instilled in each a love of Scouting and the principles for which it stands. She had the gift of making each activity interesting and fun to do, and made of herself a popular counselor and friend.

Her house was a second home and the scene for numerous parties and picnics for this group of Girl Scouts. "Bea" planned many outings for them. One day during the past summer, they made a trip to Asheville, where they visited the famous Biltmore House, and afterward saw the movie, "The Swan", which was having its premiere there. (It will be remembered that "The Swan" was made at Biltmore House). Some of the parents helped with transportation to Asheville, but "Bea" and the girls planned and arranged this unusual and educational trip.

Franklin wishes the Fingers well in their new home, but their

Draft Board Classes 45

leaving is a real loss to our community.

I am not trying to usurp the function of the home demonstration's column, but I'd like to pass on a recipe which was given to me recently when I was in Atlanta. Miss Lucy Slagle, a Macon County woman, who is head of the Home Service Department of the Atlanta Gas Light Company, gave it to me. She used it on her TV show, so perhaps it isn't as new to most people as it is to me. However, since it is what I consider a really different cake, and I might add, delicious too, here is the recipe:

POPPY SEED CAKE

1/2 cup poppy seed
1 cup milk
3/4 cup butter
1 1/2 cups sugar
1/2 teas. vanilla
1/8 teas. almond extract
2 cups flour
2 teas. baking powder
1/2 teas. salt
4 egg whites

Soak poppy seed in milk for at least two hours. Cream butter, gradually add sugar and continue creaming until light and fluffy. Add flavoring. Sift flour, baking powder, and salt together. Add alternately with milk and poppy seed to creamed mixture. Beat egg whites until soft peaks are formed; fold into batter. Pour batter into two greased and floured 8-inch cake pans or one 9x13x2 inch pan. Bake at 350 deg. for 30 to 35 minutes. When cool spread cream filling between layers or over top of cake. Sprinkle with nuts if desired.

CREAM FILLING

2 cups milk
1/2 to 2/3 cup sugar
2 tablesp. cornstarch
1/4 teas. salt
4 egg yolks
1 tablesp. cooking sherry

Scald milk. Combine sugar, cornstarch and salt; gradually add scalded milk and cook over low heat until thick, stirring constantly. Beat egg yolks; add some of hot mixture to egg yolks, then combine both mixtures and cook 2 to 3 minutes longer. Cool. Add flavoring.

158 Macon Farms Growing Weed

A summary of the '56 tobacco acreage here shows a 158 farms are planting tobacco, according to the A. S. C. office.

The total harvested acreage is 43.37.

It is reported that the number of farms not planting total 54. Farmers selling tobacco on any market in the state this year will be assured of a slightly higher average support rate than was available last year, the office reports. The rate has also been increased from the minimum rate announced April 18. The minimum support guarantee has increased 48.9 cents per pound. The office says this is the final rate and reflects 90 per cent of parity as of July 1, 1956.

Farm production is expected to drop from the record level of 1955 on the basis of conditions at mid-year, according to the Agricultural Marketing Service, USDA.

Draft Board Classes 45

Forty-five new classifications of registrants have been announced by the local draft board.

Of the total, 25 of them have been put in 4-A. for registrants who have completed service and/or sole surviving son of a family in which sons or daughters were killed in action or in the line of duty. The men are Troy Lennis Gregory, McKinley Guffey, Raymond B. Caldwell, Joseph A. Waldrop, Albert Edwards, R. L. Cunningham, James D. Conley, Joseph T. Wilson, Joe W. Crowe, William J. Ray, Harold P. Corbin, McIvin R. Penland, Kenneth F. Rogers, Burton L. Leach, John D. Conley, John P. Jones, Howard H. Shuler, Joe R. Stepp, Charles H. Blaine, Charles W. Moore, Eldon O. Holland, Robert W. Pipes, Kermit E. Dehart, John R. Schiffli, and Normless R. Webb.

Other Classification were:

1-A (available for duty): Russell E. McKelvey, Jr., Frank H. Garner (accepted), Lawton J. Brown, and Grady J. Greene.

1-C (enlisted): Eugene E. Patton, Howard A. Smith, and Charles K. Carpenter.

1-C (inducted): John E. Sanders and George B. McCall.

2-S (student): Lee Poindexter, Jr., and Randolph N. Bulgin.

3-A (deferred because of dependents): Foy W. Dryman and Horace E. Ledford.

4-F (physically, mentally, or morally unfit for duty): James C. Saunders and Paul Tallent.

5-A (over the age of liability): Lawson W. Wood, Edward K. Dalton, James A. Whittington, Samuel V. Sellers, Don A. Tallent.

Electric cords shouldn't be hung over a nail, because of the danger of extreme bending of the wire and wear in one place. They also should never be wrapped around a warm appliance.

See what a Great Deal you get Now

(You get a triple Bonanza in today's Buick)

RIGHT NOW—we're making it bonanza time for you. The popularity that's put Buick solidly up in America's top 3 sellers means we can give a better allowance on your trade-in.

And Buick's success tells you our prices are right and ready for action.

But this is more than a great deal on a dollars-and-cents basis—it's a smart deal on how much more car you get in a '56 Buick.

You'll be getting the greatest buy in performance with Variable Pitch Dynaflo*—the only transmission that uses the switch-pitch principle of a modern airliner's propellers.

You'll be getting the most efficient bundle of V8 power ever placed under a hood. And you'll be getting a ride that's sheer luxury.

So how about hurrying in while your present car is at peak worth? You'll make a buy you can crow about. And we'll prove that—today.

*New Advanced Variable Pitch Dynaflo is the only Dynaflo Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

P. S. We have some especially good buys right now on the high-powered CENTURY and the extra-spacious SUPER. Better see 'em real soon!

Bonanza Trade-in Allowance

With Buick solidly in Number Three sales spot nationwide, our large sales volume lets us deal you an even sweeter trade-in allowance on your present car—which is at its peak worth right today!

Bonanza Buy

Today's Buick prices start right on the heels of the smaller cars—but man! just count the extra blessings Buick brings you. Extra power and sizzle. Extra size, room, luxury. Extra-smooth ride. More structural weight and solidity. New-as-tomorrow styling. It's the Best Buick Yet!

Bonanza Resale

You can always bank on Buick's resale value—but your '56 Buick should get you even more when you trade it, thanks to today's new Variable Pitch Dynaflo.* It's the world's most advanced transmission—only one that gives you the cruising thrift and full-power acceleration of the modern plane's switch-pitch propellers!

AIRCONDITIONING at a COOL NEW LOW PRICE
It cools, filters, dehumidifies. Get 4-Season Comfort in your new Buick with genuine FRIGIDAIRE CONDITIONING

It's a great time to buy a Buick
