MIGHT HAVE BEEN ROAST
 Firemen answered a call to the home of Paul Long, on Bonnycrest, about 3 o'clock Sunday afternoon. Damage was confined to what appeared to be a roast, which had been left cooking on the stove and caught fire. Sheriff J. Harry Thomas and Highway Patrolman H. T. Ferguson were driving by and called the fire truck after seeing smoke pouring out the windows.

Bon Marche's beautiful new branch store in the Westgate Shopping Center, located at the Smoky Park Bridge, Asheville.

Opens Thursday, October 25
FREE PARKING FOR 1200 CARS

came the magic that made possible so wonderfully different a Ford. In the toughest on-the-road tests ever given to a car, this "Inner Ford" demonstrated that a '57 Ford rides you sweet and low... that it takes the bumps without a bobble, the curves without the pitch... and, that in power, it "takes nothing from nobody!" Nothing on wheels hurries, handles or holds up like a Ford!

Here Today!

A new kind of FORD with the mark of tomorrow

You're in for a thrill when you see this new knock-out named Ford! But save your superlatives till you drive it! That's where the fun really starts.
 It's fun just knowing that others who see you wish they were you. For you're commanding the longest, lowest, heaviest, biggest car ever to sport such a low price tag. There's head room to spare for a new fall bonnet... stretch-out space for a "Daddy Longlegs."
 You'll find that the tough and ready new "Inner Ford" is built to take the roughest road you'll care to travel. New outboard rear springs and ball-joint front suspension let Ford take the turns without the tilt. New swept-back control arms help take bounce out of bumps.
 Best of all, Fords library-like quiet is built in. And the new "Inner Ford" is why. For never be-

fore in Ford's field has there been a body with so much extra bracing so firmly anchored to its foundation. And you can choose from three big Silver Anniversary V-8's with up to 245 horsepower. There's also a new Mileage Maker Six with 144 horsepower, the most modern Six in the industry.
 You can pick your Ford tailored to your desires and your budget, too! Choose from nine Fairlane or Fairlane 500 models or from five Custom or Custom 300 models. Or take your pick from Ford's five longer, lower, new station wagons. Whichever model you select, you'll get a car that's been re-invented from the wheels up!
 So there's the new kind of Ford. Big! Gracious! Spacious! A luxury car true—but one that any new-car buyer can easily afford. Come in! See what wonder-cars you can buy now at low Ford prices.

IN TWO NEW SUPER SIZES

OVER 15 FT. LONG On a New 116" Wheelbase } 3 Custom Models 2 Custom 300 Models

OVER 17 FT. LONG On a New 118" Wheelbase } 4 Fairlane Models 5 Fairlane 500 Models

PLUS 5 NEW MODELS IN THE STATION WAGON SERIES

The Fairlane Fords for '57, like the Fairlane 500 models, have no equal... no counterpart, in the low-price field.
