

-:- See The Newly Remodeled -:- FARMERS FEDERATION

Retail Service Store

On Friday And Saturday, Jan., 18th and 19th

Thank You Macon County!

Largely because of your business support and trading at our store we have been able to completely remodel our building by installing fluorescent lighting and modern fixtures and adding many new lines of merchandise.

We appreciate your support and will continue to bring you top quality value at the fairest prices possible. In addition, we will strive to give you prompt, courteous service and work with you to build the farming interest of Macon County.

By way of celebrating our remodeled store opening we have vastly reduced prices on many lines of merchandise for 2 days — January 18th and 19th. Come by to see our "new face" and save money on these outstanding buys. Two days only — January 18th and 19th.

GENE FRIZZELL,
Manager
