NAME SIGNS DISCUSSED

Neighborhood Club Makes Plans For Town Park Work

At its monthly community supper meeting Saturday, the North Franklin Neighborhood Club discussed its project of encouraging residents to put name signs in front of their homes.

The signs are being procured through the Western Auto Store and are on sale there. Profits from the signs go to the neighborhood club. Several of the signs already have been erected.

Club president H. H. Gnuse, Jr., discussed the town park project which the club has undertaken. Work is at a standstill during the winter months, but picnic tables and the type of fireplace desired were talked over by the club. John Bulgin was appointed to draw up a design for the fireplace.

Roy M. Biddle told about a practical picnic table design he had seen on a trip through Florida and Mr. Gnuse suggested he work out the particulars on it for local use.

About 50 people attended the meeting. No formal program was held.

Lions Will Attend Charlotte Meeting

Five members of the Franklin Lions Club will be in Charlotte Saturday for the mid-winter convention of Lions District 31-A.
