Hemphill Says Funds For Emergencies Are Available At F. H. A.

Ray F. Hemphill, supervisor of the local Farmers Home Administration office, this week reportdo's and don'ts of covering the ed that the Department of Agriculture has announced the design ation, through June 30, 1957, of the entire state of North Carolina as an area where the Farmers Home Administration may make emergency loans to eligible farm-

> The department said that during the past four years, hurricanes, drought, and other weather conditions have brought about a situation under which normal credit sources will be unable to meet the heavy demand for operating credit this spring.

> The action was taken under Public Law 727, 83rd Congress, he said. The law provides for making emergency loans for agricultural purposes where there is need for agricultural credit that cannot be met for a temporary period from commercial banks. cooperative lending agencies, the Farmers Home Administration under its regular programs, or through other types of emergency

> Emergency loans are made to finance normal operations, but may not be used to refinance existing debts. Farmers may apply for loans at the Farmers Home Administration office in the Agricultural Building.

> To be eligible, a farmer must be unable to obtain the credit he needs from other local sources. must be primarily engaged in farming, and have suitable experience and reasonable prospects for success in the farming oper ations he plans to carry on with the loan, Mr. Hemphill said.

Repayments are scheduled ac cording to the borrower's ability to repay. Loans to meet operating expenses are secured by liens on crops and on chattel property. Leans for crop production are usually scheduled for repayment

Dan Angel Home On Leave From Parris Island

Cpl. Dan W. Angel is spending a 28-day leave with his parents. Mr. and Mrs. Zeb Angel, of Frank-

He has been stationed at Parris Island, S. C., at the U. S. Marine Recruit Depot for the past 32 months. At the end of his leave, he expects to be promoted to sergeant. He also will be up for discharge on June 10 and he plans to enter Western Carolina College.

Prices Slashed

Regular Gas Now Selling

for

$27\frac{9}{10}$ per Gal.

We guarantee our gasoline to be as good as any sold in North Carolina. It is a first grade gasoline made by a major oil company. This is exactly the same gasoline that you pay as much as 34 1-2¢ per gallon for at other stations.

DRIVE OUT-FILL UP - SAVE MONEY

HYATT'S GAS-FOR LESS

At Roller Mill Bridge

NOT YOU - but chances are you paid for it! For this is the freight excise "tax bite" that comes out of practically everything you buy, long before you buy it. Here's what happens...

Every shipper who uses public for-hire transportation, right down the line from original producer to ultimate consumer, must pay a tax on the freight charges. Naturally, each one normally tries to "pass it on" to the next fellow. This works fine until it gets to you, the consumer. You can't pass the taxes on. So you foot the bill in higher prices for what you buy.

This tax on freight charges and its companion tax on passenger fares

were imposed by the government as temporary emergency measures during WorldWar II, to raise money for war and to discourage the use of overburdened public transportation facilities. Yet they are still with us, costing consumers hundreds of millions of dollars annually and bearing most heavily on those least able to afford them.

We urge in the public interest that sincere consideration be given now to the repeal of these unfair and discriminatory "temporary" taxes that arbitrarily penalize the users of our service, act as a drag on the flow of business and ultimately inflate the price of almost everything you buy.

. Harry a De Butto
