Leaking Roof Repairs Made, But Seepage Still Is Occuring

HIGHLANDS—The leaking roof at Highlands School has been repaired to the extent that water no longer drips from the ceiling, but seepage still occurs. Principal O. F. Summer said this week that, although classes are again being held in the room, he is afraid to have the new science equipment moved in for fear it will be damaged by water. The room was vacated last fall and was unused until late in April.

IN APPRECIATION

We want to tell Mrs. Clarence Henry and each member of the First Baptist Church choir how much we enjoyed the cantata and singing during the revival. We are sure we speak for members of the church and visitors.

Patton Plans Club Workshop On May 14

By MRS. ARIZONA D. BLAINE (Club Reporter)
Plans for a workshop on May 14 from 9:30 a. m. to 1 p. m. have been made by the members of the Patton Home Demonstration Club. Members are asked to bring sandwiches or covered dishes for lunch and any work on which they need some help. The workshop will be held at the Community building.

The workshop was set up at the club's regular meeting May 1 at the community building. In observance of "Family Life Month", the program was directed at family life. Mrs. Anna Ledford, family life leader, had charge and gave several of the most important steps that one must take in order to succeed.

Mrs. Florence S. Sherrill, home agent, presented a review on mental health and stressed its importance in family life. Vegetable recipes will be exchanged at the June meeting. Refreshments were served by the hostesses, Mrs. R. D. Wells and Mrs. J. D. Wells.

First Private School Was Held In Building Occupied By Scott

The first private school here was held on the second floor of the Main Street brick building now occupied by Scott Furniture Company, according to Mrs. W. N. Cook.

Last week's Education Section of The Press told of the opening of a private school here about 1840, but explained its location was not known.

Mrs. Cook said this week she recalled hearing the late Mrs. Sam L. Rogers saying the school was held in that building.
