## Lamb Pool Planned May 23 At Clyde

The year's first lamb pool for this area is set for May 23 at Clyde, according to County Agent T. H. Fagg.

It is for animals 85 pounds or over. Pools for other weights will be held later, he said. The agent urged local farmers to consider sending animals to Clyde "since they probably will bring top prices".

Farmers should notify Mr. Fagg of the number of animals they

plan to send to the pool by May 15, so shipping car space can be arranged.

Animals should arrive at Clyde between 7 and 10 a. m. on the day of the pool.

### CARD OF THANKS

The many deeds of kindness expressed during the sickness and departure of our beloved husband, father, and brother will always be remembered by the Robert T. Bryson Family.
