

# Rules And Regulations Of Franklin Flower Show Announced

## Event Set For Saturday At F. H. S.

### Anyone May Enter; No Entry Fees; Classes Listed

Show classifications and rules and regulations governing the Franklin Garden Club's annual flower show were announced this week by the show chairman, Mrs. J. Ward Long.

Set for Saturday in the Franklin High School cafeteria, the show's theme is "Garden Fashions". It is the garden club's 25th annual show. Hours for the public will be 2 to 9:30 p.m.

Mrs. Long said any grower anywhere is eligible to make entries, subject to the following general rules and supplementary rules of the various sections:

1. There is not an entry fee for an exhibitor.
2. Competitive exhibits:

a. Each exhibitor is limited to

one competitive entry in each class, but may make additional non-competitive entries as may be listed.

b. In all competitive classes except in arrangement section entries must have been grown by exhibitor.

c. First, second, and third awards in all sections will be designated by blue, red and white ribbons, respectively. Point values of ribbons for determining section and sweepstakes shall be 3, 2, and 1 in all classes in all sections.

d. In sections where a tri-color is to be awarded it shall be given for the entry which, in the opinion of the judges, is the outstanding entry in the entire section. The tri-color shall count 5 points in competition.

e. The sweepstakes award is given to exhibitor receiving the greatest number of first prize points in horticulture and arrangements.

3. Non-competitive exhibits shall be so marked on entry card, will not be judged, nor have any point value. Plants on state conservation list are in this section only.

4. Each variety exhibited in competition must be marked with correct name on entry labels furnished. This does not apply to special exhibits or arrangement section.

5. Those in charge will give all possible help to the exhibitors, but cannot be responsible, if judges should disqualify entry due to wrong class or incorrect name of variety.

6. Uniform containers will be provided for individual blossoms and small exhibitors. Where stated on schedule exhibitor must provide own container.

7. Entry cards will be provided by registration committee. The number you receive when you register should be placed on all exhibits you enter for identification.

8. The show officials will take all precaution to protect exhibitor's property, but cannot assume responsibility for any damage or loss.

9. Entries may be placed from 8 p. m. — 10 p. m. on Friday, July 26. This is for exhibitors finding it necessary to work at the exhibition hall and convenience of others.

10. Entries of all potted plants must be placed in the exhibition hall Friday, July 26.

11. The regular schedule for placing entries will be for 8 a. m. — 10:30 a. m., Saturday, July 27. The entries and classifications committee will be in charge to assist in placing entries properly.

12. After 10:30 a. m., Saturday, July 27, no exhibits will be accepted to be judged. No person will be allowed in exhibit hall except judges, clerks, and other show officials.

13. Judging begins at 11 a. m. The show opens to the public from 2 p. m. to 9:30 p. m.

14. No exhibit may be removed before the closing hour, except by special permission, but show chairman will appreciate exhibits being removed promptly at closing time.

15. Judging will be done by qualified persons and their decisions will be final.

### Show Classes

Here's a breakdown of show classes. In all classes, evidence of insect, pest, or disease, or of spray or dust damage or residue is judged as a fault:
