

Franklin High Highlights

By Joann Burrell

FHS senior David McClure is shown being fitted for a class ring by John Jamison, of Jamison Jewelers, the local firm that ordered the rings for the class. (Gene Dowdle Photo).

The Future Teachers of America Club is planning to place special emphasis on "American Education Week", which is Nov. 10-16. A skit on American education, "Yesterday, Today, and Tomorrow", will be given by the club today (Thursday) in the gymnasium. Included in the cast are Ann Dean, Barbara Duncan, Linda Whelan, Ann Sutton, Max Glad-

well, Linda Higdon, Delores Cabe, Ann Pennington, Barbara Jean Cunningham, Joann Cunningham, Anné Hall, Gary Calloway, Mildred Bingham, Claudette Leatherman, and Jimmy Yeary. The play will be given for the Franklin P.-T. A. Nov. 18.

A display observing American Education Week will be placed in the window of the Twin's Shop next week, and pastors of Franklin churches have been asked to speak on education Sunday, Nov. 10.

Officers of the F. T. A. this year are Lucy Henry, president; Frances Alexander, vice president; Claudette Leatherman, secretary; Jackie Clark, treasury; Ann Sutton, librarian; and Judy Wurst, historian. Miss Frances Winstead is the club's sponsor.

Members of the F. T. A. are selling cakes at lunch time each day to raise money for their scholarship fund, which will be awarded to some graduating member at the end of the school year.

Hints To HOMEMAKERS

By MISS RUTH CURRENT
State Home Demonstration Agent

THE CLEAN LOOK — Daintiness is not an illusion. Cleanliness is one of the virtues we take for granted or should — though boys and even girls in their early teens sometimes need to be reminded. Cleanliness is one of the transparent virtues, for its lack is so apparent in a dozen ways. Even in this age of scientific and mechanical miracles, certain things do not change. One is the dream every boy has of the girl with whom he hopes to share his future.

In modern homes, easy-to-keep pretty bathrooms encourage the habit of the daily tub or shower bath. Even without these conveniences or an abundance of hot and cold running water, the daily bath is still possible and imperative. If circumstances dictate a sponge bath, it may be taken at night when time is less limited, and may be supplemented by a brisk rubdown with a coarse terry towel.

RECOMMENDED — A small-size magnetic knife holder, hung in the bathroom, will keep nail clippers, small scissors, nail file, safety pins and needles within easy reach.

Try putting furniture polish in a soft-drink bottle and inserting a clothes sprinkler in the top. It's easy to apply just the right amount of polish to your dust-cloth or mop.

For gleaming spotless copper pans, try the new liquid copper cleaner being marketed in dispenser-type polyethylene bottles. And for brighter aluminum pans, try the same manufacturer's new foaming-action detergent polish. Wipe on both products with a scouring pad — but don't scour.

EAT FRUITS: Fruits — the food that adds zest to our menus, color to our table, and important minerals and vitamins to our diet — merit special attention by housewives. Did you ever consider how rich and varied your daily meals have become as a result of the great strides made in processing fruits? Fruits may

and Sale in Asheville Tuesday and Wednesday. They left Franklin with their prize stock Saturday morning. Those who made the trip were John Killian, Ralph Allen, Guy Fouts, Wayne Sheffield, Sterling Peek, Jim Nolan, Wayne Gregory, Jack Taylor, Jim Corbin, Lee Corbin, Billy Crawford, and Ronald Harper.

The seniors met last week and decided on the type of diploma they would like to buy for their graduation. The diploma in a leather folder with the student's name in gold letters, which has been used for the last four years, was chosen. The price of the diploma is \$4.20, and the money is now being collected from the seniors.

Seniors at FHS have received their class rings. The prices ranged from \$28.35 to \$29.40, according to size.

This year's class picked the same style as last year's. It is an oval-shaped ring with an "F" crested in the center of a red stone. On one side is the head of a Panther, the school's mascot, and on the other side are four stars, a graduation cap, and other small details.

BOYS ALSO HELP — Principals' 'Elbow Grease' Applied To Floor Of Gym

Some "elbow grease" applied over the week end by Principal C. K. (Ike) Olson and District Principal Harry C. Corbin has the floor of the Franklin High gymnasium looking like new again.

The two principals, with the help of students Larry Brooks, Jack Hyde, and Harold Elliott, cleaned and sealed the 10,000 square feet of floor and applied two coats of varnish.

Mr. Olson estimates they spent about 30 hours on the job between Friday and Sunday afternoons.

Materials for the job were furnished by the Franklin Lions Club.

Basketball play is expected to get under way officially in the gymnasium in early December, according to Mr. Olson, who will coach the girls' team this season.

as much vitamin C as tomato juice, whereas a medium orange (three-inch diameter) or a half grapefruit (4 1/4 inches) contains approximately the same amount. Cantaloupes and strawberries are excellent sources of vitamin C.

VISITS LUNCHROOMS

Miss Martha Barnett, area supervisor of the state school lunch program, visited lunchrooms in the Macon system Monday.
