4-H Clubbers Have Picked Demonstrations

Macon's 4-H Clubbers have picked their demonstrations for 1958, according to Mrs. Jessie D. Cabe and Clark Walker, assistant agents in charge of 4-H work.
For January, the girls will take up "Recreational Meetings and Record Collecting"; February, "The Dressing Unit"; March, "Make Good Cornbread Better"; April, "Demonstrations by Winning 4-H'ers"; May, "Care of Clothing"; June, "Dairy Foods Demonstrations"; July, "Garden Tour"; August, "Chicken Barbecues"; September, "Reorganization"; October, "Add Sparkle to Breakfast with Fruits"; November, "Improve Your Personality"; December, "Decorating for Christmas".

The boys will follow this schedule: January, "Recreational Meetings and Record Collecting"; February, "Gardening"; March, "Soil conservation"; April, "Demonstrations by Winning 4-H'ers"; May, "Dairy"; June, "Livestock Teams (training)"; July, "Garden Tour"; August, "Chicken Barbecues"; September, "Reorganization"; October, "Safety"; November, "Forestry"; December, "Electricity".

Prices received by U. S. farmers increased each month from February to August but declined some what in mid-October.

Program For '58 Mapped By Group

A program for 1958 was mapped last Thursday by the home demonstration county council.

Tentative dates for county-wide activities were set and demonstrations were selected.

Plans also were made for a home demonstration talent show at Otto School in January; East Franklin in February; and Cowee School in March. Dates for each will be decided later. Six clubs have agreed to give skits they presented at the annual "Achievement Day" on Oct. 31.

The council also voted to pay the remaining \$45 due on the library desk donated to the Franklin Library. The total cost of the desk was \$210.

The 26 members attending Thursday's meeting at the Agricultural Building tentatively

scheduled the annual dress review for April 30; "Achievement Day" for Oct. 30; and the county fair for Sept. 25-26-27.

Following are demonstrations selected for the year:

January—"The Home Business Center"; February—"Tomatoes On Your Table"; March—"Clothing Construction"; April—"Dress for the Occasion"; May—"Fabrics and Color for a Room"; June—"Safe Approved Method"; July—"Home Lighting"; August—"Accent on Health" and "Chicken Barbecues"; September—"Home Beautification"; October—"Saucepans and Frying Pans"; November—"Oven Meals"; December—"Christmas Decorations".

As the devotional for the meeting, Mrs. Jessie D. Cabe, assistant home agent, led the group in responsive reading.

Church Elects Moore Pastor

At its annual business meeting, the Mt. Zion Assembly of God Church elected the Rev. Roy Lee Moore, of Franklin, as its pastor. Mr. Moore, formerly of Toccoa, Ga., is manager of a chain grocery store here.

The following officers were named by the church.

Mrs. Joe Raby, secretary; Henry Tallent, treasurer; and Mrs. Arlessa Roper, Sunday School superintendent. All three are deacons of the church. Jessie Roper was named secretary-treasurer of the Sunday School.

Demonstration Club Meetings For Week Are Announced

Meeting of home demonstration clubs in this county for the coming week have been announced by Mrs. Florence S. Sherrill, county home demonstration agent. They are as follows:

Friday: Mulberry club at the home of Mrs. Geneva Sams at 10 a. m.

Monday: Hickory Knoll club with Mrs. J. L. Young at 1:30 p. m. Tuesday: Upper Cartoogechaye club at 1:30 p. m. with Mrs. W. M. Byrd.

Thursday: Clark's Chapel club at 10:30 a. m. at the home of Mrs. Wiley Brown; Watauga club at 10 a. m. with Mrs. Claude Beeco; Higdonville club at the home of Mrs. W. W. Berry at 10 a. m.

Your Heater Needs Air Too

Your heater needs some air too.

H. M. Ellis, in charge of extension agricultural engineering for the N. C. Agricultural Extension Service, says that a ventilated heater keeps the flame products separated from the heat circulated in the room, resulting in heat that is moisture free and safe.

On the other hand, Mr. Ellis says, an unvented heater gives off wet, steamy heat which condenses moisture on windows and cold walls. It isn't healthy to breathe this air and it can even be hazardous.

Mr. Ellis adds that gas burns so clean that there seems to be no apparent hazard or nuisance from it. But, actually the products of combustion from a gas flame contain a great amount of water vapor and carbon monoxide which has taken many lives.

As Mr. Ellis puts it, "If you are using an unvented heater, give a lot of thought to what you are breathing before you stop breathing."

Slaughter of U. S. fed cattle this fall is expected to be about as large as in the fall of 1956.

OF MACON WOMEN

FRUIT CAKE CONFECTION
1/2 cup butter
3 tablespoons brown sugar, firmly packed
2 eggs, well beaten
1/2 cup sifted flour
3 tablespoons honey
1/2 teaspoon salt
1/2 teaspoon baking powder
1/2 teaspoon allspice
1/2 teaspoon nutmeg
2 tablespoons orange juice
1 cup candied pineapple, sliced
1 cup whole candied cherries
1/2 cup candied orange peel, cut fine
1/2 cup candied lemon peel, cut fine
3 tablespoons citron, cut fine
3 1/2 cups whole pecan halves

Cream butter, add brown sugar and mix. Add honey. Beat. Add eggs. Beat. Sift together dry ingredients and add alternately with orange juice. Line a 8-inch layer cake pan with 2 thicknesses of waxed paper and oil top. Spread 1/2 of batter over bottom of pan. Save a few cherries and nuts for decorating the top of the cake. Mix remaining fruits and nuts with the rest of the batter. Pile on top of batter in pan, packing down and leveling off the top. Decorate with cherries and nuts. Cover with brown paper. Set in pan of water for first hour of baking. Bake in very slow oven, 300 degrees F., for 2 hours. Glaze top with hot corn syrup. When ready to serve, cut with a sharp, thin knife. To store, wrap in waxed paper or foil. Keep in refrigerator. Use within 2 months. This is a delightful cake-confection and should be served in very thin, small slices. We like to serve it with hot coffee or hot spiced fruit punch when guests drop in during the holiday season.
