

Another Hat Hits Solicitor Race Ring In Primary Vote

A two-way Democratic Primary race has now developed for the solicitor post in the 20th Judicial District.

Incumbent Thad D. Bryson, Jr., of Bryson City, filed for re-nomination last week.

Announcing his candidacy this week was Glenn W. Brown, 32, who is solicitor of Haywood County's Recorder Court.

Active in political, civic, and church affairs, Mr. Brown is married to the former Miss Evelyn Davis, of Webster, a granddaughter of the late Robert B. and Mrs. Ada Shope Hyatt, of Otto.

A native of Clyde, he attended high school there and later finished at Mars Hill College. He served two years in the U. S. Air Force and following discharge entered Wake Forest College, where he received a law degree. After being graduated from Wake Forest, he moved to Waynesville and became a member of what is now the law firm of Morgan, Ward, and Brown.

Mr. Brown has served two terms as president of the Young Democrats Club of Haywood and has been chairman of the Haywood Board of Elections. He is a former superintendent of Sunday school at the First Baptist Church and is presently chairman of the board of deacons. He is a Mason, a member of the Lions Club, and has served as both president and secretary of the Haywood County Bar Association. At present, he is head of the United Fund drive and in 1953 was named "Young Man of the Year" in Haywood.

Heart Fund Drive Opens

Biddle Chairman; Coin Collectors To Be Placed

Macon County's annual Heart Fund campaign is now under way with Roy M. Biddle, Jr., serving as chairman.

Those familiar red hearts—plastic collection containers—will be distributed this week in stores over the county, according to the chairman. About 200 will be in use.

"Heart Sunday" is set for February 23 and at that time volunteers will conduct door-to-door solicitations.

The campaign will last the entire month. "In accepting this appointment, I have the fullest confidence that Macon County will surpass the amount it contributed last year. This conviction stems from the fact that, through the years, we have learned that only medical research can solve the heart disease problem and that a contribution to the Heart Fund to support such research is, therefore, not just a gift but an investment in our own health and the health of those we love," Mr. Biddle said this week.

Heart diseases accounted for approximately 54 per cent of all deaths from all causes in the United States in 1956, the latest year for which figures are now available, the chairman revealed.

World War I Veterans To Elect Officers

An election of officers for '58 is planned tomorrow (Friday) night when Veterans of World War I of U.S.A. Barracks 906, meets at the county courthouse at 7:30.

All veterans are urged to turn out for the meeting, according to J. W. Gustaw, quartermaster.

Chief Carter Named To Head Civil Defense

Franklin Police Chief Sid Carter was appointed head of the Civil Defense in Macon County at the regular meeting of the county commissioners Monday.

Other business transacted at the meeting included, presentation of a petition to pave the Baird Cove Road. The board approved this and sent the petition to E. L. Curtis, of Bryson City; A bond of \$2,000 was set for John Kusterer, who recently was appointed coroner for Macon County; a petition for the state to take over and keep up Speed Road in Highlands was approved by the board and sent to Mr. Curtis.
