Paul Newman, Former Resident, Shoots Himself

Paul Newman, 86, a native of Germany and former resident of Franklin, died February 10 at his home in Winston-Salem of what Forsyth Coroner V. M. Long ruled as a self-inflicted bullet wound.

Mr. Newman came here in 1917 and operated an ice and coal business. He moved to Winston-Salem in 1931. A newspaper account of his death quoted the investigating officers as saying Mr. Newman's wife and two daughters were finishing breakfast when they heard a gunshot. They went into the den, where they found Mr. Newman sitting in a chair. Further investigation showed he had used a .32 caliber revolver to fire a shot into his right temple.

Mr. Newman, who retired in 1950, was a mechanical engineer and owned and operated the Home Ice and Fuel Company in Winston-Salem. He was born in Saalfeld, Germany, March 25, 1871. He was educated in Saalfeld and came to the United States in 1893. After living in Chicago for several years he moved to Atlanta, Ga., and became an American citizen in 1904. In 1906 he was married to Miss Freda Dietz. He was a member of the Lutheran church in Atlanta, the Odd Fellows, and the Order of Redmen. In addition to his wife, surviving are three daughters, Stephanie and Lucille, both of the home, and Mrs. Fritz Stampfl, of Camp Lejeune; three sons, Paul R. Newman, of Winston-Salem, Phillips G. Newman and Frederick L. Newman, both of Columbia, S. C.; and six grandchildren.
