TO IMPROVE CENTER —
'Anything' Is Needed For
Club Auction Next Month

"Anything" is what members of the Franklin Junior Woman's Club want for their county auction sale next month to raise money for improvements at the Macon County Health Center.

The auction has been rescheduled for April 19, and persons wishing to donate items are asked to leave them at the parts department of Burrell Motor Company.

Mrs. Fred Salain, who is in charge of the project, said the club hopes to raise about \$1,500 for the health center work. Improvements for the most part will center on the grounds. Just how much work will be done hinges on

the amount of money the club is able to raise, she said this week.

The chairman also asked for the help of other civic groups with the project, particularly in collecting material for the auction.
