Franklin High Highlights

By Joann Burrell

Supt. and Mrs. H. Bueck held an informal social hour for the Franklin High seniors last Friday at 2 o'clock. Mrs. Bueck was hostess to 105 seniors, four senior sponsors, and the two high school principals at the gathering, which was held in the cafeteria.

An Easter theme and the colors of white and green were carried out in the table decorations. Cookies, Easter candy, and miniature sandwiches were served with a fruit punch. After refreshments were served, Mr. Bueck spoke to the seniors.

Last Friday, four senior girls, Susie Mashburn, Edith Leopard, Kathryn Emory, and Evelyn Blanton, were given tests by a Central Intelligence Service representative. All four girls passed the tests and, according to the representative, placed higher than the national average for high school students. They ranked very high in the vocabulary part of the test. This is a credit to these girls and to the faculty of F.H.S., especially in the English department.

The Class of 1958 last week elected permanent alumni officers. The class plans to have a reunion in 1963, and the officers will be responsible for contacting members of the class and preparing for the event. Those elected were: Joann Burrell, president; Gary Clark, vice-president; and Carolyn

Dowdle, secretary and treasurer. The Class of '58 is the first in the history of Franklin High School to organize an alumni organization before graduation.

Intramural basketball games between the four high school classes will begin next week. The teams, which will be elected in the freshman, sophomore, junior, and senior classes, will vie for the titles of boys' and girls' "championship basketball teams" in the high school.

Nantahala School News

By JOAN SOLESBEE

On March 24, the school basketball tournament continued, with the fourth grade girls and boys playing the sixth graders. The sixth graders won both games.

Frances Bateman's team played Wanda Owenby's. The Bateman team won, but its captain had to drop out of the game with a sprained ankle that will stay in a cast until next week.

The teams of Kenneth Solesbee and Tod Bateman clashed in the

finals with a victory for Kenneth's boys.

On the 25th, the sixth grade girls played the seventh grade. The seventh grade won. The eighth grade boys defeated the sixth grade. Frances Bateman's team defeated Cynthia Queen's in the girls' finals.

A poultry meeting was held at Nantahala High School on the 25th.

The senior 4-H members had a sewing session on the 24th, with Mrs. Florence S. Sherrill, home agent, and Mrs. Mabel Swan, assistant agent, supervising. They made skirts, blouses, and shorts.

The P.T. A. met the 24th and planned for a basketball game tonight (Thursday) between the teachers and parents.

A Spring carnival was held by the senior class on the 29th to raise money for a trip to Florida.
