The COOKING CORNER Favorite Recipes of MACON WOMEN

LIME CHEESE SALAD

- 1 can (1 lb., 4 oz.) crushed pineapple
 - 1/2 cup lemon juice
 - Boviling Water
 - 2 packages lime-flavor gelatin
 - 1 cup chopped walnuts
 - 2 tablespoons grated lemon rind
 - 2 cups (1 pound) cottage cheese
 - 1 cup finely diced celery
 - 2 teaspoons prepared horseradish
 - 1/2 teaspoon salt
 - Banana-nut dressing
1. Drain syrup from pineapple into 4-cup measure. (Save pineapple for next step.) Add lemon juice and enough boiling water to make 3 cups liquid; add gelatin and stir until dissolved; chill mixture until syrupy.
 2. Spoon about 1 1/2 cups syrupy gelatin into a medium-size bowl; fold in drained pineapple, walnuts, and grated lemon rind; pour into lightly greased loaf pan, 9x5x3; chill just until firm and sticky on top. Keep remaining syrupy gelatin at room temperature.
 3. When layer in mold is firm, beat syrupy gelatin until fluffy, blend in cottage cheese, celery, horseradish, and salt. Spoon over layer in pan; chill until firm.
 4. Unmold onto serving plate; garnish with avocado slices, if you wish; serve with banana-nut dressing.

Banana-Nut Dressing
Blend 1/2 cup mayonnaise or salad dressing, 1 mashed banana, 1/2 cup chopped walnuts, 3 tablespoons heavy cream, and 1 tablespoon lemon juice in small bowl. Makes about 1 cup dressing.

Hints To HOMEMAKERS

DAILY CARE — To be dainty, your lingerie and clothes must be spotless. This means frequent changing, cleaning, and laundering. With modern fabrics and the new soaps nightly sudsing is easy. Collars, cuffs, gloves, scarfs, and white or pastel blouses need frequent if not daily care. These suggestions for clothing care may be helpful:

Hang them up to avoid wrinkles and to help your clothes hold their shape when not being worn, place on hangers and then button or zip them up.
Keep up with mending. Always sew on buttons, snaps, hooks and eyes as needed and mend rips and tears at once.

Spots and stains not only look slovenly but they shorten the life of any fabric. Remove them when fresh with the cleaning agent best suited to the particular stain. Remove spots before pressing—heat and the pressure of the iron may set the stains.

Keep wooleens well brushed, also sun and air frequently to freshen them and to help protect against moths.

Remove powder marks on collars; sponging with dry cleaner will remove them.

Keep hats (press all veils as they need it) in covered boxes. Use crushed tissue paper to protect veils and to help hats keep their shapes. Shoes should always be well brushed and polished. Store on shoe racks. Remove spots and stains from handbags.

CLEAN CLOSETS — Thoroughly cleaned closets are good house-keeping musts. At frequent intervals, take everything out of the closet and look over carefully. Discard worn or outmoded garments. Clean the ceiling, walls, woodwork, shelves, fixtures, clothes pole, and hooks. Wash and wax floor. Put fresh liners on shelves, or clean those that are there; and be sure all boxes and garments bags are cleaned before you replace them. Our department stores have everything a good homemaker needs in doing a good cleaning job—waxes, polishes, brushes, soaps, spot removers.

STORING COOKIES — For almost any type of cookie, a tightly covered container, or an airtight wrap is best. Cookies should be thoroughly cooled before being stacked for storage. And crisp and soft cookie varieties should never be stored in the same container, since the crisp varieties will soften quickly under such circumstances.

LIGHTING — Up to 25 per cent of your energy can go into merely trying to see. Poor lighting is what made Grandma raise her kitchen work surfaces so high. She had to, to see what she was doing. You're luckier. See to it

FOR ATHLETE'S FOOT USE T-4-L BECAUSE—It sloughs off infected skin. Exposes more germs to its killing action. IN 1 HOUR, if not pleased with STRONG, instant drying T-4-L liquid, your 48c back at any drug store. Use T-4-L FOOT POWDER too—gives a film of antiseptic protection. Now at—Angel's Drug Store

that each of your kitchen work centers, as well as the ceiling, is well lighted. There are many efficient modern fixtures to choose from. Save bending to plug in appliances by installing waist-high electrical outlets.

WOOLENS FOR STORAGE — With the change of seasons, and before storing, all woolen clothing should either be freshly laundered, thoroughly brushed, and/or dry-cleaned. When brushing, make sure that all cuffs of sleeves and trousers, pleats, seams, hems, and pockets are lint free.

Spray with a moth proof spray evenly over garment, but be particularly careful to spray along seams, in all cuffs, under collars, and around hems. Use spray for both garments which are to be hung in closets or stored in chests, drawers, etc. Use aerosol sprays to spray the air in clothes closets, cedar closets where garments are to be hung and stored. Spray sufficiently to leave a cloud or fog.

Hang moth cakes and crystals high in clothes closet or garment bags and the heavier-than-air fumes emanating from them will spill downward as they evaporate. Scatter crystals, moth balls, etc. among clothes as they are stored in chests, drawers, boxes, or trunks.

KEEP WOOLENS CLEAN — Woolen clothes even though worn frequently must be kept immaculately clean, watched meticulously, and given moth treatment when necessary.

Swine offer one of the best solutions to North Carolina's lagging farm income.

WIN A FREE TRIP TO NEW YORK and a T-V AUDITION
• OTHER VALUABLE PRIZES •

Come to the Macon County Court House Auditorium Saturday afternoon, May 3 at 2:00 o'clock. This contest for residents of Macon County only.
(Contestants should present themselves at 1:30)

Can you sing, dance, play an instrument or tell funny stories—either alone or as part of a small group? Here's your big chance to cash in on your talent!

Amateurs from all over Western North Carolina are invited to enter this big talent contest. Preliminary contests will be held in each of the ten Western counties. Prizes will be awarded to the winners of the county contests (beautiful trophy). The local winners will then be invited to compete in the regional finals to be held at the Asheville City Auditorium. The first-prize winner of the finals will receive a free trip to New York City and an opportunity to audition on one of the big television shows. There will also be prizes for the second and third place winner.

There is no age limit for contestants. Winners at the county contests will be selected by a panel of three judges. The winners of the grand finals will be determined by a special electronically operated audience-reaction meter that was designed and built locally; it will be used for the first time in Western North Carolina.

To enter this contest, all you have to do is appear at the above-mentioned time and place. Join the fun. Bring your family and friends. Everybody welcome.
