Two Sites Donated At Bethel

By MRS. LOIS ANDERS
(Community Reporter)

Two sites for a community building have been donated to the Bethel community organization by Wiley J. Clark and Glen Robinson.

Which will be used will be decided by the community at a meeting May 15 at the Bethel Methodist Church. All members of the community are asked to attend this meeting, since decisions as to the site and type of building Bethel will build must be made.

At its April 17 meeting, Bethel reported improvements and additions at the homes of Nat Phillips, Sammy Beck, the Rev. R. D. Burnett, Lawson Shook and Davis Morgan. New Homes have been built by Otis Franklin, Woodrow Holland, Paul Ray, and Carl Brown.

Weimar Jones, candidate for the Democratic nomination for Representative, will speak over Radio Station WFSC tomorrow (Friday) at 12:30 p. m. Adv.

THEY GOT BIG ONES

Using two airplanes and a station wagon, a local fishing party invaded Carrabelle, Fla., April 16 and returned several days later with tales of big ones that didn't get away. As proof they brought the above picture with them. Left to right (the fish are in front) are Gordon Forrester, H. L. Bryant, Howard Stewart, Jack Cabe, Manson Stiles, the Rev. S. B. Moss, and Jimmy Hilton. Not in the picture were C. S. Brown and the Rev. Glenn Anderson. On their first day out, the party caught 291 pounds, with Mr. Stewart and Mr. Stiles catching the first. Because he covered his bait with a spray of tobacco juice (he says), Mr. Bryant landed the largest, a Carbia that weighed 31 pounds and was 51 inches long.
