## THE PROPERTY OF THE PROPERTY O SERVICES OF MACON COUNTY CHURCHES

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his, own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

It was Sunday morning. I had stopped only long enough on my journey for an hour of worship. The church was almost filled when I slipped into my seat. I knew no one. Yet between me and these worshipers there was a bond of fellowship. I bowed my head in worship

Then I thought of those in distant lands who must worship the Christ amidst ridicule and persecution. They too were my brethren and I prayed for them.

Through the church rang the triumphant notes of the opening hymn "Faith of our Fathers, Living Still." My heart and my voice sang together as I remembered those of old who had labored and died that the Church might live. With fellow

> "Faith of our fathers, holy faith We will be true to thee till death."

Christians, whom I did not know, I sang my promise:

If only everyone knew the joy and satisfaction that my faith brings to me! Start attending the services of the Church-and your life too will be enriched by that bond of Christian fellowship that has sustained millions through the centuries.
