\$566 For Church
A Christmas program was held at the Patton Methodist Church December 19. Instead of exchanging gifts, donations were put under the tree for the building fund. These came to \$566. The children enjoyed treats from Santa Claus.

Work Progressing

AT CLUB MEETING — Dr. Morgan Discusses Growing Shrubs, Ferns

Dr. A. Rufus Morgan was guest speaker at the regular meeting of the Franklin Garden Club held last Monday afternoon at the home of Mrs. Gilmer A. Jones.

The subject of Dr. Morgan's talk was, "Flowering Shrubs and Ferns", in which he gave the club members many helpful hints on the growing and care of their garden shrubs and ferns, based on his many years of experience in his own garden and in the woods where he has spent much time studying wild shrubs and ferns.

Mrs. Florence S. Sherrill, home economics agent, gave a short talk in presenting a plan for a committee to be formed from various civic organizations with the

slogan, "Beautify Macon County". It was reported that approximately 100 guests called at the "holiday houses" held at the homes of Mr. and Mrs. E. S. Purdom and Mr. and Mrs. Allan Brooks, sponsored by the club.

Mrs. Gilmer Jones made a report on the Christmas lighting contest, which also was sponsored by the club.

Mrs. E. C. Kingsbery and Miss Laura Jones served as co-hostesses with Mrs. Jones. Nineteen members were present for the meeting. Mrs. G. I. Miller attended as a guest.
