**'Old Touse' Had A Tough Time, Anson County Shouts Praises Of Hound 'Buzz'**

**(EDITOR'S NOTE: "Old Touse" just keeps making the headlines across the state. The following story, by Don Gray, appeared in last Thursday's Charlotte OBSERVER.)**

WADESBORO — Anson County folks agree that "old Touse," Macon County's celebrated "coon hound," had a tough time of it while trapped on a rock cliff for 18 days before being rescued by owner Luke Chastain.  
But they lay claim to a fox-hound named "Buzz" that survived 25 days in a dry well without

food or water.  
Owners Isaac and Ray Thomas, of near Wadesboro, haven't written any songs about "Buzz," but they shout his praises as the dog that wouldn't die.

"Buzz" fell into the well on a night hunt near Lilesville Dec. 29, 1956. When the Thomases called their dogs in, all except "Buzz" came running.

They called and waited, but got no response. One time they heard what sounded like "Buzz" barking on some distant hill. Actually, the dog was in the well then, but its barks wouldn't carry.  
Ray and Isaac advertised for "Buzz" on the radio, and on Jan. 22 a woman living in the area in which they were hunting reported that a hound had taken up at her house.

It turned out to be somebody else's dog, but since the Thomases were again near where "Buzz" was lost, they went back there and called.

Again they heard the distant barking, weaker than before. Isaac walked on a few steps and found himself standing over the uncovered well, staring down at his lost dog, practically skin and bones, but alive.

"Buzz" has been top hound in the Thomas pack since.

**Willets-Sylva Highway Load Limit Is Set**

Raleigh—Load limit restrictions have been placed on a section of road in the 14th Highway Divisions. It has been announced by the State Highway Commission.  
A load limit restriction of 13,000 pounds per axle is being posted on this particular road in the western part of the state in order to prevent further damage to the surface during the winter months.  
Division Engineer F. L. Hutchison, of the 14th division, with headquarters located in Sylva, announced that signs have been posted on US 19-A and 23 between Willets and Sylva in Jackson County.

**AWARD IS ANNOUNCED — Macon County Has 44,900 Acres In Need Of Trees**

Announcement has been made by the Forestry Commission of the Asheville Agricultural Development Council of a \$100 award to be given the Agricultural Workers Council of the county in Western North Carolina doing the best job of tree planting in the current planting season.

The award is being given by the Appalachian Lumbermen's Club.  
Purpose of the award is to promote reforestation. Morris L. McGough, executive vice-president of the agricultural council, says there is a tremendous need for reforestation in the area, especially in planting pine on eroded land and on fields and hillsides not well suited to farming. An estimated 668,914 acres in a 33-county area stretching from Forsyth county west have been classified by foresters as land which should be planted to pine trees. It is also pointed out that the new Ralph Edwards State Forest Service Nursery at Morganton is nearing full operation and thus an expanded supply of pine seedlings is being made available.  
Basis of the award will be the county planting the largest percent of the area in need of planting. Reforestation needs range from 4,000 acres in Lincoln county to a high of 52,500 acres in Rutherford county.  
Macon County has 44,900 acres in need of planting.  
The award will be presented in the late spring of 1959, following the close of the planting season. Landowners desiring to order pine seedlings should see their county agricultural agent or county ranger of the N. C. Forest Service immediately for an order form.

(Author's Name Below)

For thousands of years the two ancient professions of medicine and pharmacy have untidely served the health of everyone. In order that they may do this properly all physicians and pharmacists spend years studying at a college and must pass a state examination to prove their knowledge.  
Recently, untrained persons, grasping an opportunity to make some quick money are selling vitamins and other medicines from door-to-door. They even presume to tell people how to take them. Your health is not to be trifled with. Be wise. You are safe when you depend on your physician and pharmacist.
