

Brady's BLARNEY

By A Brady Called J. P.

Got to thinking the other day (I do think at times) about having the power to create a person. And I wondered what kind of a person I would make. Gave it a lot of thought, too, and came up with a composite "human" who would have traits of people I know.

Sid Carter's ability to get along with people. Grant Zickgraf's flying skill. The knowledge of human nature displayed by Sherriff J. Harry Thomas. Paul Swafford's native sense of humor.

Had a short note recently from Frank Dean, who's in Alaska. He sent along some temperature readings clipped from the Anchorage newspaper. From the readings up there, we'd better cancel Frank's long underwear campaign here. It's warmer in Alaska. He also enclosed a clipping about a baby that was born with a tooth. Said Frank, "This weather seems to have a very decided effect on humans too."
