Community Meeting
 Cowee Rural Community Development Organization will hold its regular meeting at the school tonight (Thursday) at 7:30.

Club Has Meeting
 Cowee Home Demonstration Club held its February meeting at the school library February 27, with 10 members present. Mrs. C. C. Welch, president, presided, and the devotional was given by Mrs. George Byrd.

Since Mrs. Welch is moving to Jackson County, the club accepted her resignation as president, and Mrs. S. C. Leatherman, vice president, was elected to succeed her. Mrs. Troy Hurst was elected as vice president.

The group voted to present a citizenship award to the most out-

standing eighth grade student at Cowee School again this year.

The club members are making cookies to serve at the pre-school clinic which will be held Friday morning, March 6, at Cowee.

The club also voted to contribute \$2 to each of the following funds: Heart, Cancer, Polio, and White Cane.

Mrs. Florence Sherrill, home economics agent, gave a demonstration on "Modern Cookery" and prepared and served bean soup and bean salad. The value of dry beans and peas in planning meals was discussed.

Prayer Week
 The W.M.U. of Cowee Baptist Church is observing "Week of Prayer" with a series of meetings this week. Both the Jennie Ray Circle and the Shirley Houston Circle met at the church Wednesday night for a joint meeting.

Thursday, the Jennie Ray Circle will hold an all-day meeting at the home of Mrs. J. M. Morgan.

Both circles will meet at the home of Mrs. T. M. Rickman Friday night, March 6.

M.Y.F. Meeting
 The sub-district meeting of the Methodist Youth Fellowship was held Monday night, March 2, at Snow Hill Methodist Church with around 125 attending. Snow Hill had charge of the program and an Easter theme was used. A social hour followed the worship

service and program. Refreshments were served by the host church.

The Young Adult Class of Snow Hill Methodist Church held its monthly meeting with Mr. and Mrs. Leon Cabe. A covered dish supper featured the meeting and was followed by a business session presided over by John W. Hurst, president. The devotional was led by Mrs. Grace Tatham.

Swafford's Sayin's

Howdy Folks:

I think it's my duty as your 'Ole Country Grocer' to warn you about some high prices. If, after you read this, you want to pay such prices for stuff, then I'm not to blame—'cause I'm warnin' you. Now just how much do you think you pay per bushel for corn, potatoes and peanuts? When you pay 10c for 1 oz. of potato chips—5c for 1/2-oz. popcorn—5c for 3/4-oz. peanuts? Or how many 10c boxes of crackers do you suppose a bushel of wheat would make? How much do you pay for a gallon of water when you pay 10c for a 6-oz. 'soda pop'? Think of payin' 20c per oz. to have coffee ground so you drink the coffee instead of the juice—(good though). How many cans of chicken-soup would a big fat hen make? (I'm not talkin' about this chicken noodle soup—I well, you may know of chickens that have noodles—not me). I get dizzy when I get to figurin' such things—but now that I've warned you—do as you please. I have these and many more just as bad to sell. Come in and see for yourself.
