Swafford's Sayin's Howdy Folks: I never say much about the quality of the foods sold here at the 'Ole Country Store, for I don't need to. All you have to do is look at the large per cent of my customers and see that they are well fed. I hear some of them talkin' about quittin' eatin' so they can get the slim-trim look. Now if everybody quits eatin', I'll have to go out of business. Of course, us men don't have to worry about things like that. I heard a man advertisin' a shavin' lotion and he said that every time you shave, a certain per cent of the skin comes off too. All you have to do is use this lotion and it builds the lost skin back. I reckon that's what happened to me - shaved my face away. Been shavin' every day without usin' that lotion. Guess I'll get some and use a double portion every day for a while - build a little extra skin and fill out some of the wrinkles. If they keep makin' stuff like that - and these pills that give you vim, vigor and vitality - make you feel and look young, have better eyes and teeth - prevents baldness and gray hair - make you eat and sleep - no fuss - no muss - just swallow one a day. Guaranteed - or your money back. When a pill gets on the market that is guaranteed to build good gray matter in the head - I'm gonna buy a hat full. Folks, you all come to see me. I feel like I'm takin' spring fever. Don't feel much like writin'. PAUL SWOFFORD Swafford's Country Grocery 1 1/2 miles from city limits on Bryson City Road
