30 At Meeting

About 30 people attended the June meeting of the Patton Community Development Organization held at the community building last Tuesday night. The Rev. Bert Crawford gave the devotional.

At the business meeting, a discussion was held concerning work on the grounds of the community building, church, and cemetery.

A "tacky party" was held following the meeting. Every one had come as "someone else". Bill Krickbaum and Martha Blaine created quite a sensation by appearing as "Lil Abner and Daisy Mae". Then the entire group stood at rigid attention and saluted "Sergeant Bingham". Erwin Patton, Judd Tallent, and Bert Crawford acted as judges and gave first place in the adult division to Mrs. Anna Ledford and Ted Blaine. In the children's group, Jennifer Wells and Jerry Ledford won first place, with Ricky and Debbie Grasty in second place. A small prize was awarded each winner.

String music was furnished by Judd Tallent and John D. and Johnny Wells.

At the next meeting, which will be the first Tuesday night in July, a picnic supper will be held before the meeting.
