Campbell, Claude Campbell, and James Bennett, of Sylva; and Mr. and Mrs. Edward Williams and Mrs. Iona DeHart, of Dillard, Ga.

Sailor Mack Jones Is Improving From Shipboard Injuries

PP 3/c Mack G. Jones, who was injured in March in a shipboard accident in the Atlantic, is now hospitalized at Camp Lejeune and is reported improving.

The young sailor's father, John W. Jones, of Franklin, visited him there last week. He said the cast has been removed from the leg Mack injured when he was washed overboard from the destroyer USS Daly, managed to grab a life-line, and then was smashed back aboard and to the steel deck by another huge wave.

He was hospitalized in Italy and Germany before being flown back to this country.

CONDUCTS CLASS

Mrs. W. B. Harrill, of Cullowhee, district president of the Methodist W.S.C.S., conducted an officers training class at the Franklin Methodist Church June 2. She was introduced to the 12 officers present by Mrs. H. Bueck, president of the Franklin Society.

IN HIGHLANDS —

Dawley Accepts Hospital Fund Drive Chairmanship

The Board of Trustees of the Highlands Community Hospital has announced that Mr. Lester W. Dawley of Jackson, Mississippi and Highlands has accepted the chairmanship of its Fund Drive which is to begin on June 23th. Mrs. John H. C. Perry has accepted the appointment of associate chairman in the organization and conduct of this annual campaign for financial support for the hospital.

"The Board of Trustees has had very good fortune," said Dr. Koop-Baker, chairman of the board, "in having available to it such competent and experienced leadership as it will have in Mr. Dawley and Mrs. Perry. The communities are very grateful to them

for undertaking so important, and responsible a task."

Mr. Dawley has indicated that preparations are well advanced for a thorough program of public information regarding the hospital and its needs. In speaking to the Board Mr. Dawley said, "I feel that the people of the communities using the services of the Highlands Community Hospital would like to know in fullest detail, the facts of the remarkable strides their hospital has made in improved service and increased stability. They deserve to know in equal detail what its plans are for the next year and what its needs will be."

Mrs. Elizabeth Harrison will serve as secretary to the Fund

Drive Organization which will have its down-town office in space that has been provided by Mr. Clarence Mitchell in his building on S. Fourth Street.

Mrs. Dawley and Mrs. Perry have pointed out that all areas served by the hospital will be drawn into the fund-raising effort with leaders from the Cashiers-Norton-Glenville communities, and the regions of Seely, North Georgia and Upper South Carolina providing assistance.

North Carolina's green pepper crop in 1956 was valued at \$1 million.
